

Dressage Queensland Riders' Subcommittee

Official Dressage Event – Saturday 11 October, 2014 and Sunday 12 October, 2014

Hi Riders and Helpers!

Here is the draw for our October competition and some information to help you have a successful and as stress free as possible event. QSEC have allocated us the stables and camp sites we can use, so my apologies if you did not get the allocation that you requested. QSEC have also requested that horses be stabled apart to minimize contact.

DOGS

PLEASE NOTE that it is a QSEC requirement and DQRSC requirement that all dogs must be secured at all times – that is, secured in a pen, tied up or on a leash no longer than 1m in length. Competitors who do not abide by this requirement will have their entries refused for future competitions.

HORSE HEALTH DECLARATIONS

You must hand your completed Horse Health Declaration to Gear Check at the Indoor Arena BEFORE you ride. This form is part of the email you received with the draw. Please print it out, fill it out and bring it with you to the event.

ARENA FAMILIARISATION

To allow you to familiarize your horse with the Indoor Arena, it will be open from

- Friday – 4.00pm to 6.00pm
- Saturday – 6.00am to 7.45am
- Sunday – 6.00am to 7.15am

Please note that you are permitted to ride in the dressage arena during familiarization – you are not restricted to just riding around the outside of the dressage arena.

SCRATCHINGS

Please contact Leesa Murray on 0402 033 716 during the event. Email up to and including Friday – leesa_murray@optusnet.com.au

ACCESS, STABLES and CAMPING

Access to the Indoor Arena is via the stables, which are accessed from Old Gympie Road. There is no day parking at the Indoor Arena or in the stable area – that is, all horses must be stabled.

The stables will be open on arrival (Friday by 12.30pm, Saturday and Sunday by 6.00am). Stables are allocated and please adhere to your allocated stable number. Stables that are not left **TOTALLY CLEAN** of all bedding and **SWEPT OUT** will incur a cleaning fee of \$75.00. Note that QSEC has decided to discontinue the trial of allowing clean bedding to remain in stables, and all stables must be left totally clean. Please collect manure from the WASH BAYS so that our work is easier at the day's end.

Camping is allocated. Please adhere to your allocated camping spot and leave it clean on departure.
