### **Conditions of Entry**

This event is being conducted under the rules as per the IQ Handbook 2015 and EA and FEI Rules where applicable. It is your responsibility to read your Handbook and be aware of these rules.

Riders/Horses must be registered with the Inter-School Queensland Sport Committee.

The organising committee reserves the right to accept and/or reject entries. Competitors are reminded that Medication Control (swabbing) can occur at any event run under Equestrian Australia rules and regulations.

### **PIC Number/ DPI**

It has been a requirement of Equestrian Queensland since the beginning of 2011 that all members submit a PIC number for the property where their horse is located. Please ensure you have your PIC number as you will need to enter this PIC number on [www.nominate.com](http://www.nominate.com) for your nomination to be accepted.

Competitors will be required to comply with current DPI regulations at the time of the event, including waybills where required. Competitors are asked to familiarise themselves with current Biosecurity Queensland best practise at equestrian events in regard to health and safety of humans and horses.

**NB – Your Horse Health Declaration Form (See Below Link) will need to be PRINTED OFF AT HOME and brought with you to the event. NO FORM = NO RIDE.**

<http://www.gld.equestrian.org.au/sites/default/files/EQ%20Horse%20Health%20Declaration.pdf>

### **Rider Numbers**

IQ members will use their laminated numbers (issued by IQ) or bridle numbers and these are to be attached to **both** sides of the horse.

### **Soundness**

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate. For Dressage there is no appeal against this decision

### **Behaviour**

When representing their school and while on competition grounds, all competitors must obey their school rules and competition etiquette. Those not adhering to this, risk elimination from the competition. Damage to any third party by anyone at the venue of the competition will be the responsibility of the adult involved or the parents or guardians of those who caused the damage. In particular IQ and the EA accept no responsibility relating to the use of motorised vehicles on the grounds over the course of the competition.

The following EA Codes of Conduct must be observed by all competitors and their parents/guardians, during this event. Those who fail to do so risk elimination from the competition:

- Code of Conduct for the Welfare of the Horse
- Equestrian Australia Code of Conduct
- FEI Code of Conduct for Competitors
- Equestrian Australia Code of Conduct for Parents
- Equestrian Australia Code of Conduct for Spectators

Please familiarise yourself with these documents. They are available at

### **Entries and Substitutions**

On approval from the organising committee at Canterbury College, riders may substitute an alternative horse up until the start of competition for the day providing details of the IQ horse/rider registration is presented to the organising committee. No rider may be substituted for another. Please contact [tvardy@bigpond.net.au](mailto:tvardy@bigpond.net.au)

### **Entry Fees**

Will not be refunded after the close of entries. Exemptions on medical and/or veterinary grounds will be at the sole discretion of the organising committee and will require documentary evidence within 7 days of the event certified by a recognised and qualified medical practitioner/veterinarian and must be specific and relevant to the request for an exemption. The Admin fee of \$20 will be retained to help defray administration costs for any scratchings. No request for an exemption will be considered after commencement of the relevant discipline.

### **Scratchings & Event Cancellation**

Please email [tvardy@bigpond.net.au](mailto:tvardy@bigpond.net.au) with any scratchings prior to the day or call Tracey Vardy on 0416267670 on the day.

In the event of cancellation of the competition or part thereof due to any circumstance beyond the control of Canterbury College, entry fees will be refunded less the \$20 per horse rider combination admin fee to help defray administration costs.

### **Competition Schedule**

The competition times in the published schedule are correct at the time of publication and should be taken as a guide for competitors only.

Rings may run early due to scratchings. Please be attentive to announcements to this effect on the day. Riders may be invited to ride earlier, if convenient to the rider. If this is possible it would be greatly appreciated to help towards a timely finish.

However, riders who are late and do not ride at their designated time, without prior approval from the organisers may face elimination.

Workouts will be as in the IQ Rulebooks and Showman Annexure 2015.

### **Disputes**

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes, complaints or queries. Any disputes, complaints or queries during the competition must be lodged in writing with the TD or ground jury through the Team Captain or School Convenor with a fee of \$50 within 30 minutes of the event which gave rise to the objection. The decision of the Technical Delegate/Ground Jury will be final and may not be appealed. General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

### **Back Protectors**

Back Protectors for jumping elements are not compulsory under EA rules. The IQ strongly recommends their use in the interest of safety.

### **Teams**

There are two divisions of teams:

- Primary & Secondary. Teams are to consist of 3 or 4 riders with the top 3 scores counted; the fourth rider's score is used in the case of a tie. Teams are NOT pre-nominated and will be made up of the best 3 or 4 riders from each school on the day.
- Teams will be run under the same scoring rules as the IQ State Championships.- see the 2014 IQ handbook however a rider with a second horse may be considered in a second team if a school has 7 or more riders..

### **Helpers**

#### **NO HELP = NO RIDE – This is an IQ Rule....**

Each rider will be required to nominate a helper for each class that they nominate in and a helper's roster will be published in the week prior to the event. We will make every effort not to clash help times with ride times however with multiple disciplines this sometimes becomes necessary so please keep this in mind when nominating several horses or in several disciplines.

It is the responsibility of each rider and their helper to ensure that they check this roster and complete their nominated tasks or find an appropriate substitute person to do so. A rider competing in more than one discipline may be allocated a job per discipline. Failure to nominate a helper will result in the nomination being discarded and failure to complete the assigned tasks during the competition may result in disciplinary action being enforced by the IQ committee. See 2014 IQ Handbook page 18.

**Please do not put the committee or your child in this situation. If everyone lends a hand it means less work for everyone.**

**SEE YOU ALL AT OUR EVENT.**
