

IQ Handbook Amendment- Dressage State Qualifying Criteria (26/02/16)

The state qualifying criteria for dressage under section 7.7, point 5 incorrectly states that secondary preliminary riders will not be offered a place on the state team as this class is not offered at the Australian Championships.

Secondary preliminary dressage is being offered at the Australian Championships as of 2016 as per table 1 in section 7.6 of the handbook and so team places for this class will be offered to secondary riders.
