

Steward's Corner

Lesley Sullivan – FEI Level 2 Steward

Hope you have all been coping with this dreadfully hot and humid summer. Roll on winter!
As stewards we have to know the rules under which our sport is governed.

Stallions

EA has developed the following 'Stallion Safe Practices Guidelines' and they can be found here - http://www.equestrian.org.au/sites/default/files/EA_Stallion_Safe_Practices_Guidelines_Jan%202011_V2.pdf

1. Stallions should wear official 'discs' at all times whilst at the venue. These discs are to be worn on both sides of head collars and bridles or on some part of the horse on both sides to identify to others that the horse is a stallion.
2. No stallion is to be moved around a venue without displaying the stallion discs and a suitable restraint. The restraint can be either a bridle, an anti-rearing bit or a chain lead rein over the nose or under the jaw.
3. Where possible all stallions are to be stabled. If suitable stabling is not available stallions need to wear a collar, which is securely tied to the outside of a truck or trailer. Stallions tied to the outside of a truck or trailer MUST be supervised at all times.
4. Stallions may be substituted in prize-giving ceremonies with another horse should the rider deem it to be safer.
5. It is recommended that riders and handlers of stallions at shows be over the age of 17 years; however, it is the responsibility of the parent/guardian to understand the full code of conduct for stallions at events.

With the exception of rule 1.1.8 in the Show Horse Rules and Guidelines, stallions are not permitted in Show Horse classes at EA state or championship events.

All riders/handlers under the age of 17 years must be supervised by an adult/parent/guardian whilst at the event.

6. It is the stallion owner's/rider's responsibility to ensure that all possible safety precautions are taken.
7. Floats/Trucks that transport stallions should display the official magnet giving notice that there is a stallion on board.

These guidelines are consistent with Equestrian Australia's focus on improving safety by identifying risks and putting in place measures to mitigate those risks.

The use of the horse and float identification discs is compulsory at all Equestrian Australia events.

The horse and float discs are available for purchase from the National Office of Equestrian Australia. Only the approved discs will be permitted

Regards
Lesley
