## GENERAL INFORMATION

The Qld Youth Rider Dressage Championships Organising Committee would like to thank you for your entry and wish you the very best of luck at the event. Please read through the following important information regarding the Youth Championships. Updates will be posted on our Facebook page (search Dressage QLD Young Riders).

### QSEC IS A GLASS FREE VENUE

As users of this great venue we need to observe and comply with the laws that the venue is run under, which are the same laws as other large sporting venues in Qld, such as Suncorp Stadium and the Gabba. If you bring glass onto the venue in your vehicles, then that's where it needs to remain – **DO NOT** place empty bottles in the QSEC rubbish bins – take them home with you. There are large fines for people who do not abide by these rules, and as these rules have been being flaunted by users of the venue, spot checks have started to be carried out.

### FACILITIES

We request that competitors take the utmost care in looking after the wonderful facilities that are being provided at QSEC. Please take pride in this fantastic venue and keep the toilets and amenities block clean. Recycling bins are located throughout the venue and we request that you place your rubbish in the appropriate bin. Please make yourself familiar with the QSEC Camping & Stable Rules and Regulations:

[http://www.qsec.com.au/uploadedFiles/QSEC%20Camping%20A3%20Pads\(backOnly\).pdf](http://www.qsec.com.au/uploadedFiles/QSEC%20Camping%20A3%20Pads(backOnly).pdf)

The indoor arena precinct is a non BYO alcohol area – that is, you can only consume alcohol that has been purchased at the bar at the indoor arena.

### DOGS

Dogs are permitted in the stable complex **ONLY**. Dogs **ARE NOT PERMITTED** at the indoor arena or at the outdoor arena complex. All dogs at all times must be secured or on a leash that is no longer than 1 metre in length. **Do not bring dangerous dogs to this event.**

### BIOSECURITY

New biosecurity legislation came into effect in Qld from July 1. The result of this is that we must all keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smart phone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit on arrival at the Youth Championships can be your Movement Record, however, as we require you to submit your horse health dec to us, you will need to take a copy of the form, i.e. photo with your phone. You will also need to create a Movement Record for your trip home.

QSEC's PIC is QGCB1219.

### DRAWS:

The Draw has been emailed to you with this Information Pack. Please check and be aware of your ride times.

## **WITHDRAWALS/SCRATCHINGS:**

Withdrawals should be notified immediately to Leesa Murray, ph. 0402 033 716, email: [leesa\\_murray@optusnet.com.au](mailto:leesa_murray@optusnet.com.au)

Refunds will be made post-event to the credit card that you used to pay for your entries, in accordance with the 2016 Qld Youth Rider Championships schedule.

You will need to contact Nominate to organise a refund of your stabling and camping as a result of scratching from the event.

## **FREESTYLES**

Please hand in your music to staff in the Event Office (south-west corner of the QSEC indoor arena) or place it in the labelled baskets if the office is unattended. Please ensure that it is clearly labelled with the rider's name, horse's name and the freestyle competition you are competing in. Please have a back-up copy available.

**Freestyle Practice times:** Friday, September 9, 1pm to 6pm in the indoor arena. A draw is included with this competitor information pack. If you do not attend the practice, we will still play your music to ensure it is compatible with the audio system.

## **VETERINARY MATTERS**

It is compulsory for all Competitors to fill out and sign a QSEC Horse Health Declaration on arrival at the event. The form can be downloaded here:

<http://www.qsec.com.au/uploadedFiles/QSEC%20HORSE%20HEALTH%20DECLARATION%20FORM.pdf>

If you are competing at the indoor, you must hand your completed form to the Stable Manager before competing or riding at the venue. If you are competing at the Outdoor Arenas (Barr Oval), and are parking at the Outdoor Arena Complex, you must hand your completed form to Gear Check before you ride.

**Riders at all levels** must have their horse's **EA papers** available for inspection if requested. **Swabbing** may take place. **Penalty fines** will be imposed for those who do not have their horse papers available at the event.

If you need to call a vet to attend to your horse while at the event, the Organising Committee **MUST** be notified.

## **ARENA FAMILIARISATION**

### **Friday 9 September:**

Indoor Arena open: 1.00PM to 6.00PM for freestyle music practice. Other riders can ride around the outside of the competition arena in the indoor at walk, while a rider if running through their freestyle.

Indoor Arena warmup arena: 1.00PM to 6.00PM

Outdoor Arena Warmup Area: 1.00PM to 5.00PM

Riders are NOT permitted to ride in the outdoor arenas prior to the competition.

There is no arena familiarisation available Saturday or Sunday.

## WHIPS & GEAR

A reminder that whips that do not comply with current EA rules (must not exceed 1.2m in entirety for horses, and 1.0m for ponies), will not be allowed in the **warm-up** and **competition** areas. A whip may be carried in all Preparatory, Preliminary, Novice, Elementary, Medium and Advanced competitions. Whips are not permitted in the FEI Pony Tour, FEI Junior Tour, FEI Young Rider Tour or FEI Under 25 competitions as this is a State Championship.

**Head Wear:** an approved safety helmet must be worn at all times when riding.

**Bridle Numbers:** Riders are responsible for providing bridle numbers for their horses. **Allocated Bridle Numbers as per the draw** must be worn whenever a horse is out of the stable, for example when grazing or training. We suggest owners have two sets of numbers on hand, one for the head collar and the other for competition. Competitors grazing horses must take extreme care and have horses under full control at all times. If grazing horses appear to be upsetting competing horses or horses under saddle, they will be asked to return to the stables. **Please do not graze or lead horses close to the competition arenas when horses are competing.**

## STABLES & CAMPING

**Stabling & Camping Allocation:** The stabling and camping allocation is being sent with this Competitor Information Pack. This allocation is the same as what you booked via Nominat.com.au.

**Cheryl Stephen** is the Stable Manager during the event. Please contact Cheryl if you are having transport problems and delayed arrival is expected (see Handy Telephone Numbers page for phone details).

**Departure Procedure:** When you are ready to depart the stable complex you must notify the Stable Manager. Cheryl will inspect your stable for cleanliness, lock your stable and note your departure date.

This will be refunded post event if your stable is left clean – clean means that all bedding, feed & urine has been removed from the stable and it has been SWEPT clean (not merely scraped out with a shovel). Any damage to stables as noted by QSEC is payable by competitors and the minimum fee for damage is \$200. This fee will be charged back to competitors.

## **PRESENTATIONS**

All presentations are unmounted and will take place in the Riders Marquee at the completion of events each day, that is:

Saturday, 10 September – 5.30 PM

Sunday, 11 September – 3.30 PM

Riders are requested to be neatly attired in competition dress for presentations. Attendance at presentations is compulsory – riders who do not attend and who do not request permission for another rider to collect their prize will forfeit them. Sponsorship for events is very difficult to secure, and it is just courtesy for riders to be present to receive their prizes and have photos taken that we can give to our sponsors.

## **SATURDAY EVENING BBQ & SUE-ELLEN LOVETT**

Saturday evening, at approximately 6.15 PM, will be the Youth Championships BBQ in the BBQ area at the stable complex. Some of you have pre-booked and paid for the BBQ. If you have not, and would still like to attend, please let Leesa Murray – Event Director know. We are very fortunate that para-olympian and FEI rider Sue-Ellen Lovett will be in attendance and will give a talk about her journey. We invite everyone to come along and be part of the BBQ – this event is as much about making friends and meeting new people as it is about the competition.

Please note: everyone is welcome to come and hear Sue-Ellen speak – you do not have to take part in the BBQ as well.

## WELFARE OF THE HORSE – FEI CODE OF CONDUCT

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale. The Code is available in English & French. The Code is also available on the FEI's website: <http://www.fei.org>
