- To enable riders to compete at qualifying events and qualify for State Championships, all schools must be a financial member of Equestrian Qld. All riders must hold current Competitor Junior EQ Membership, only Interschool Regional events from Rockhampton and north only require an EA Participant membership. **If they intend to compete in Southeast Qld or interstate they are not eligible for this membership category.** They must advise the EQ office **yearly** of each horse they compete and be allocated/reactivate an IQ number. Riders competing at the State Championships, must have their horse EA Life Registered.
- As part of the EQ membership package, all riders have 24/7 personal accident and public liability insurance.
- All events that interschool riders attend as part of this program have been approved by Interschool Queensland and are run in accordance with EA rules and regulations, and covered under Equestrian Queensland's Public Liability Insurance.

All schools holding interschool classes must first submit their show dates to the Interschool Queensland discipline convenor. Then supply EQ with a copy of show dates.
