APH True Seville Groom of the Year Nomination Form

APH True Seville

This award recognises the contribution that grooms make to the sport of dressage in Queensland. Always hard-working and away from the limelight, grooms, while very much appreciated by their horses and riders, often receive no public recognition for the important role that they play in horses and riders making it into the competition arena.

Riders are encouraged to nominate their grooms for this award. Nominees can be employed as grooms, or can be unemployed helpers who just help out at competitions, and everyone else in between on the groom spectrum. Please fill out the form below and send it to Dressage Qld Awards - dressageqldawards@gmail.com

Applications close 31 October.
