

EQUESTRIAN QUEENSLAND HALL OF FAME NOMINATIONS

- CRITERIA FOR ATHLETE

Nominees must be superior achievers at the highest level of competition and made an outstanding contribution to sport in Queensland.

Nominees shall not be considered until after a two year waiting period following:

- a) retirement from the highest level of competition;
- b) the performance of a particularly outstanding athletic achievement that warrants special recognition.

(Consideration of (b) would be appropriate in sports where age is not a barrier to competing at the highest level).

Teams will be considered on the same basis as individuals.

The Selection Panel will consider the degree of difficulty for a Nominee to attain the highest level of achievement.

The Selection Panel will consider in addition to a Nominee's individual achievements, that person's integrity, sportsmanship and character.

Any person or organisation may make nominations for consideration by the Selection Panel.

Nominees must:

- be Australian Citizens;
- be superior achievers at the highest level of competition in their chosen sport; and
- have the support of their peers.

Nominations are to be submitted annually. Any nomination which has been previously submitted, but not selected may be reconsidered by the Selection Committee.

EQ Hall of Fame inductees will be considered ambassadors for equestrian sports in Queensland and may be called on from time to time to represent EQ at various events across the calendar.

The Selection Committee is the arbiter in respect to the selection or otherwise of any Nominee, subject always to the final approval by the Equestrian Queensland Board and presented at the Equestrian Queensland Annual Awards evening.

Please forward nominations to manager@equestrianqld.com.au. Enquiries can be made to Samantha Duffy, EQ Operations Manager, 3891 6611.
