WASHING HANDS

WHO

Everyone, especially young children, older individuals, and people with weakened immune systems.

WHEN

Always wash hands:-

- After touching horses/animals or their living area
- After leaving the animal area
- After taking off dirty clothes or shoes
- After going to the bathroom
- Before preparing foods, eating or drinking

HOW

- Use facilities provided by event organisers, either soap or hand sanitiser. Facilities can be found on the site map.
- Ensure you dry hands using clean paper towel or air dry them. DO NOT dry hands on clothing.

BIOSECURITY AT EVENTS

1. No horses or dogs with signs of illness are to be brought onto the grounds.
2. No communal horse water troughs are available at this event.
3. Do not share equipment, including food and water containers, between horses.
4. Competitors are responsible for cleaning up manure from yards and placing it in designated areas. Please use your own rakes/shovels.
5. Competitors are required to advise the event organisers immediately if a horse is sick. Stop all non-essential contact with the sick horse. Do not allow children to have close contact with the sick horse.
6. Everyone handling horses should wash or sanitise hands between contacting different horses.
