This workshop is designed for the officials, club committee members and anyone wanting to run a scoring system for a dressage event.

Completing this workshop will give any of these individuals the skills to:

- Prepare and set up all the scoring systems before the event
- Run the scoring system during the event, and
- Collate all the final scores for the Organising Committee to make available to all the competitors and to also forward onto DQ/EQ for final end of the year results.

Presenters:

Kay Paulsen – Kay is an accredited judge, event director and official who is experienced in running dressage events.

Chris Tompkins – Chris has held numerous committee positions and has had years of experience in running and scoring at dressage events.
