

Dressage Queensland Riders' Subcommittee

Official Dressage Event – Saturday 20 August, 2016

Hi Riders,

Here is the draw for our August competition and some information to help you have a successful and as stress free as possible event.

QSEC IS A GLASS FREE VENUE

As users of this great venue we need to observe and comply with the laws that the venue is run under, which are the same laws as other large sporting venues in Qld, such as Suncorp Stadium and the Gabba. If you bring glass onto the venue in your vehicles, then that's where it needs to remain – **DO NOT** place empty bottles in the QSEC rubbish bins – take them home with you. There are large fines for people who do not abide by these rules, and as these rules have been being flaunted by users of the venue, spot checks have started to be carried out.

Please be respectful of the grounds – clean up all manure and place all litter in the bins provided.

DOGS

Dogs are permitted in the stable complex **ONLY**. Dogs **ARE NOT PERMITTED** at the indoor arena. All dogs at all times must be secured or on a leash that is no longer than 1 metre in length. **Do not bring dangerous dogs to this event.**

BIOSECURITY

New biosecurity legislation came into effect in Qld from July 1. The result of this is that we must all keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smart phone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit on arrival at the Brisbane CDI can be your Movement Record, however, as we require you to submit your horse health dec to us, you will need to take a copy of the form, i.e. photo with your phone. You will also need to create a Movement Record for your trip home.

You must submit your completed Horse Health Dec form to Gear Check before you ride – No form – No ride.

QSEC's PIC is QGCB1219.

SCRATCHINGS

Please contact Leesa Murray on 0402 033 716 during the event. Email up to and including Friday – leesa_murray@optusnet.com.au

CATERING

Catering will be available during the competition from 10am to 2pm. It is cash only, so make sure you have some.

LUNGING

Lunging is only permitted in the round yard at the stable complex. Lunging is NOT permitted in the sand warm up arena or on the grassed area around the warm up arena.

WARM UP

Warm up will be in the sand warmup at the indoor for all tests. We do have some para equestrian riders competing, so please be aware of them if you are sharing the warmup with them.

ARENA FAMILIARISATION

To allow you to familiarize your horse with the Indoor Arena, it will be open from

- Friday - 4.00pm to 6.00pm
- Saturday – 6.30am to 7.45am

Please note that you are permitted to ride in the dressage arena during familiarisation – you are not restricted to just riding around the outside of the dressage arena.

ACCESS, STABLES and CAMPING

Access to the Indoor Arena is via the stables, which are accessed from Old Gympie Road.

The stables will be open on arrival (Friday by 1.00pm, Saturday by 6.00am). Stables are allocated and please adhere to your allocated stable number, which is the one you selected when you booked your stables. **Stables that are not left TOTALLY CLEAN of all bedding and SWEPT OUT will incur a cleaning fee of \$50.00.** Note that QSEC has become fussier with their definition of clean, and any stables that are not swept, or have any puddles of water or urine will be deemed to be unclean. Please collect manure from the WASH BAYS so that our work is easier at the day's end.

Camping is allocated. Please adhere to your allocated camping spot and leave it clean on departure. Your camping spot is the one you selected when you booked it.

DAY PARKING

Day parking is available in the unpowered camp sites which are the grassed area north of the stables (Barr Oval end). DO NOT park in the powered camp sites – it is considered a safety risk to have horses tied to floats/trucks in this area. If you do not adhere to this, don't be offended when you are

inconvenienced by being asked to move. Also, please do not leave any manure or hay behind when you leave. During our event, competitors for an event the following day will be arriving to camp, so it is doubly important that you are not parked in their camp sites.

THANK YOU & WORKERS ROSTER
