

Volunteer of the Year Award

Volunteers are the backbone of the sport and in recognition of this award Festival of Dressage would like to recognise and reward a volunteer, which in the Festival of Dressage committee's opinion, has made a significant time and effort contribution to the sport of dressage over the past 12 months.

The person can be any QLD financial member involved with aspects of serving the sport, and must be nominated by a Constituent Group President with the reasons behind nomination put forward.

The winner of the award will be voted on by the Festival of Dressage Committee and the winner will be presented with their award at the DQ Christmas Awards Evening at the end of the calendar year.
