Helpers

NO HELP = NO RIDE – This is an IQ Rule....

Each rider will be required to nominate a helper for each class that they nominate in and a helper's roster will be published in the week prior to the event. We will make every effort not to clash help times with ride times however with multiple disciplines this sometimes becomes necessary so please keep this in mind when nominating several horses or in several disciplines.

It is the responsibility of each rider and their helper to ensure that they check this roster and complete their nominated tasks or find an appropriate substitute person to do so. A rider competing in more than one discipline may be allocated a job per discipline. Failure to nominate a helper will result in the nomination being discarded and failure to complete the assigned tasks during the competition may result in disciplinary action being enforced by the IQ committee

Please do not put the committee or your child in this situation. If everyone lends a hand it means less work for everyone.
