

Junior Rider Bursary

Eventing Qld along with Prydes Easifeed and WestVETS are proud to bring to you the Eventing Qld Junior Rider Bursary. These bursaries will be available for 2019 - the aim is to help junior riders with their training costs at the Development Group clinics. The bursaries are designed to help foster the development of junior riders by providing financial assistance. We aim to award this bursary to aspiring young riders who show commitment, good sportsmanship, and respect for their equine partner.

Application for this bursary is free however riders need to be a current member of the Development Group.

- The bursary will be awarded to riders between the age of 8-18yrs.
- The rider needs to be a member of Equestrian Qld and reside in Qld.
- The bursaries are at a value of \$1000 per rider. This funding is for use at the Development Clinics only. The funding will be managed by the Eventing Qld treasurer. The funding is based on \$250 per clinic for coaching costs – the \$1000 will cover their coaching costs at the DG clinics for the duration of 2019. This funding will not cover the costs of camping and stabling at the clinics. Each rider will receive a sponsor polo shirt and cap to be worn at clinics and competitions.
- If riders have attended the first DG clinic in Jan and are awarded the bursary they will be refunded their \$250 coaching cost for that clinic.

How to apply:

- Applications will close on Sunday the 27th January.
- Applications are to be sent to: qldeventingsquad@gmail.com
- There is no application fee
- Please find the application form attached
- Applications will only be accepted on the form provided and to the email address supplied
- The successful applicants will be named at the first Development Group Clinic for the year on the 2/3rd Feb at Fig Tree Pocket. The successful applicant will be chosen by the Qld Eventing committee.

Thankyou to the fantastic companies who have come on board to provide this opportunity to our young riders:
