### **Scoring**

- The total points earned across the three phases will determine the Championship Ranking.
- The Show Horse classes run under current EA Show Horse rules
- The Show Horse competition is a judged exhibition of horses and ponies. A show horse competition consists of a series of different performances, called classes, wherein a group of horses with similar training or characteristics compete against one another for awards.

### **Show Horse and Show Hunter Special Rule:**

- Riders must decide if their mount is either a Show Horse, Show Hunter or Working Hunter.
- They cannot compete on the same mount in more than one class.
- Show Horse classes will be conducted under the National Show Horse Rules and Guidelines, which can be obtained from the website.

### **A Show Horse**

- Is a quality, comfortable, well mannered, educated riding horse that is sound. The horse should be excellently presented and give the appearance of being a pleasure to handle, watch and ride. It is entirely up to the talent of the rider and those connected to the horse to prepare and show it in the way in which it looks and performs best.
  - Should work with a nicely rounded back, naturally elevated in front and head
-

flexed at the poll. The contact should be light and even.

- Must give the impression of covering the ground easily and fluently. The horse must be well balanced and work without any obvious effort by the rider or any untoward resistance from the horse. The whole picture should be pleasing to the eye. The Show Horse should go forward with controlled free forward movement, the correct bend and an even rhythm in all paces at a tempo chosen by the rider.

### **A Show Hunter**

- The main criteria for a Show Hunter is that it exhibit correct conformation, 3 clear paces and faultless education, each individual should therefore be able to cover the ground in a workout which always includes a gallop. Manners are extremely important and small misdemeanours, which may be overlooked in a Show Horse, should be penalised in the Show Hunter.
- Show Hunter classes are to be ridden in school uniforms for Interschool competitions. Judges/stewards may need to classify horses to ensure the right type competes in the Show Hunter classes.
- Once a horse has been shown as a Show Hunter, it must continue to be shown in these classes for the whole competition year. There are Show Hunter classes at the State Championships separate from the hack classes.

### **Number of Horses**

- Riders may ride more than one horse on the day in the Show Horse, Show Hunter or Working Hunter classes.

### **Workouts**

- Set workouts for all classes will be advised prior to the competition

## Helpers

### **NO HELP = NO RIDE – This is an IQ Rule....**

Each rider will be required to nominate a helper for each class that they nominate in and a helper's roster will be published in the week prior to the event. We will make every effort not to clash help times with ride times however with multiple disciplines this sometimes becomes necessary so please keep this in mind when nominating several horses or in several disciplines.

It is the responsibility of each rider and their helper to ensure that they check this roster and complete their nominated tasks or find an appropriate substitute person to do so. A rider competing in more than one discipline may be allocated a job per discipline. Failure to nominate a helper will result in the nomination being discarded and failure to complete the assigned tasks during the competition may result in disciplinary action being enforced by the IQ committee. For further information, see 2016 IQ Handbook in relation to this matter.

**Please do not put the committee or your child in this situation. If everyone lends a hand it means less work for everyone.**
