The organising committee reserves the right to accept and/or reject entries. Competitors are reminded that Medication Control (swabbing) can occur at any event run under Equestrian Australia rules and regulations.

PIC Number/ DPI

It has been a requirement of Equestrian Queensland since the beginning of 2011 that all members submit a PIC number for the property where their horse is located. Please ensure you have your PIC number as you will need to enter this PIC number on www.nominate.com for your nomination to be accepted.

Competitors will be required to comply with current DPI regulations at the time of the event, including waybills where required.

Competitors are asked to familiarise themselves with current Biosecurity Queensland best practise at equestrian events in regard to health and safety of humans and horses.

NB – Your Horse Health Declaration Form will need to be printed off at home and brought with you to the event. NO FORM = NO RIDE.

Rider Numbers

IQ members are required to display their IQ number with a bridle or saddlecloth number on **both** sides.

Soundness

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate.

Behaviour

When representing their school and while on competition grounds, all competitors must obey their school rules and competition etiquette. Those not adhering to this, risk elimination from the competition. Damage to any third party by anyone at the venue of the competition will be the responsibility of the adult involved or the parents or guardians of those who caused the damage. In particular IQ and the EA accept no responsibility relating to the use of motorised vehicles on the grounds over the course of the competition.

The following EA Codes of Conduct must be observed by all competitors and their parents/guardians, during this event. Those who fail to do so risk elimination from the competition:

Any disputes, complaints or queries during the competition must be lodged in writing with the TD or ground jury through the Team Captain or School Convenor with a fee of \$50 within 30 minutes of the event which gave rise to the objection. The decision of the Technical Delegate/Ground Jury will be final and may not be appealed. General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

Helpers

NO HELP = NO RIDE – This is an IQ Rule....

Each rider will be required to nominate a helper for each class that they nominate in and a helper's roster will be published in the week prior to the event. It is the responsibility of each rider and their helper to ensure that they check this roster and complete their nominated tasks or find an appropriate substitute person to do so. Each helper will be required to sign in 15 minutes prior to their rostered job. A rider competing in more than one discipline may be allocated a job per discipline. Failure of a helper signing in, will result in the nomination being discarded, this in turn will result in the OC **not awarding a qualifying ride** to the rider concerned. See 2017 IQ Handbook.

Please do not put the committee or your child in this situation. If everyone lends a hand it means less work for everyone.
