8. **Marshalling/Gear Check.** A designated Marshalling / gear check point will be made available and is compulsory for all competitors prior to their entry in each and every class. A gear check is compulsory for all competitors at least 15 min prior to ride time. All equipment should comply with EA regulations for that particular discipline. Stables must be left clean. Schools will be held responsible for making sure their stables are left clean. Riders (or school representatives) must check in at the stabling office to obtain directions and to complete required paperwork. All horses that enter the ground **MUST** fill out the Horse Health Declaration & hand it to stabling manager/event office. Please allow sufficient time before competing for this process. Horses not nominated for the competition will not be allowed entry to the grounds. Rings may run early due to scratchings - please be attentive to announcements to this effect on the day. Riders may be invited to ride earlier, if convenient. 19. **Behaviour.** The EA Codes of Conduct must be observed by all competitors and their parents/guardians during this event. They can be found in the current IQ Handbook. Those who fail to do so risk elimination from the competition. Being a school based event, all competitors must obey school rules and competition etiquette when representing their school and whilst on competition grounds. Damage to any third party by anyone at the competition will be the responsibility of the adult involved or the parents or guardians of those who cause any damage.

The sighting of blood on the horse during a competition phase can entail elimination and/or investigation by the Ground Jury/Technical Delegate based upon the Sport Rules of the discipline involved.
26. **Teams.** There will be two divisions, Primary and Secondary. All classes will count toward team points. For prizes/ribbons to be awarded there must be a minimum of three teams in a division. The organizing committee, at their discretion, reserves the right to award team ribbons and prizes where less than three teams are present in the primary division. Rules for the Teams competition will be as per the teams scoring rules for the IQ State Championships as listed in the IQ Handbook.
27. **General disclaimer.** Neither the organizing committee, the Darling Downs Equestrian Association, IQ Equestrian Queensland, nor the Western Downs Regional Council(Dalby Show Grounds) accepts any liability for any accident, injury, illness to riders, spectators, horses, grounds or any other persons or property whatsoever in consideration of entries being accepted.
