and Qld State Dressage Championship

The
SADDLEFITTER

Welcome

Well, we're nearly there, but a week is a long time in the current state of events, so I won't say we've done it until it's over!

I hope this event helps to bring a little bit of positivity to what has been a really strange and difficult year for so many. I'm extremely disappointed our southern friends were unable to come up and join in with us, and I really hope things change for them soon and they're able to get back out doing what we all love and are so fortunate to still be able to do up here in Queensland.

Huge thank you to our wonderful sponsors who have stuck by us through the uncertainty of bringing this event together and then the changes from a CDI to a CDN. We thank you for your belief and support. Especially to Kathryn (The Saddlefitter) our wonderful naming rights sponsor. Together we had a vision for this event, and while COVID hasn't quite helped us bring everything we wanted to the table, we know moving forward we will be able to deliver a very special and unique CDI when circumstances return to normal.

Thank you to our officials and volunteers, our entertainers, support crew, grooms, trade vendors, spectators and QSEC staff. You are all an essential part of this event. I hope you all have a wonderful show with lots of laughs had, personal goals achieved and good memories made.

And in case I haven't made it clear enough, please remember to check in your arrival at the venue using the Nominate Equestrian app 📱

Be positive, be kind, be encouraging.

Kind Regards

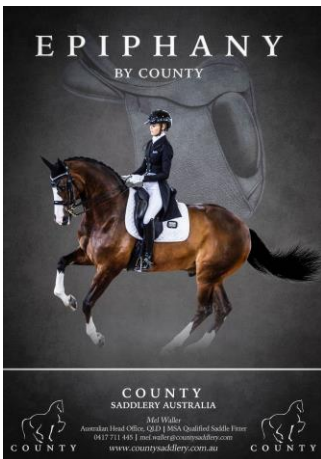

Anita Barton (Event Director)

Important Information about Saddle fitting!

Buying or fitting a saddle has always been a challenge so we asked Kathryn for her professional guide on what to do when selecting your next saddle:

1. Choose the retailer you purchase your saddle through carefully. The experience, qualifications and availability of their fitter will make or break how your saddle fits into the future.
2. Ride in a variety of styles and brands before you make your saddle selection.
3. See number 1. A reputable retailer or fitter when selling a saddle should ensure ongoing availability of quality service for refits and servicing of that saddle. If you don't have confidence that the fitter has the skill set, availability or desire to service the saddle you are purchasing, then spend your hard earned money with someone else who does

ANJANETTE HARTEN

EA LEVEL 2 COACH DRESSAGE TRAINER AND COMPETITOR

Anjanette Harten is a full time Equestrian Coach, operating the long established and well regarded Tooloom Equestrian Centre in the Brisbane Bayside suburb of Thornlands. The Tooloom Equestrian Centre has been in operation for the last 20yrs where Anjanette coaches riders, takes horses for retraining, specialising in rehabilitating horses with problem behaviours and hosts clinics with visiting National and International trainers.

Anjanette and her horse UQG Alladin were competing at Grand Prix with huge success placing Top 10 in their first year of competition at International CDI competitions. UQG Alladin is one of only a few Grand Prix horses currently in the Australian Top 10 solely trained and owned by one rider and bred in Australia.

Anjanette is committed to coaching riders of all levels. In addition to her regular clients, she also conducts clinics throughout Qld. Anjanette believes in a training system which is based on the welfare of the horses and sustainable and ethical training practices.

Anjanette has been a consistent member of the Qld Elite Dressage Squad a position she has held on 4 different horses over a 14 yr period.

Anjanette has trained 4 horses to FEI level, taking them from the very beginning of their education through to being successful FEI horses at State and National level.

In 2012, Anjanette and UQG Alladin were invited to compete at the Equitana Australian Dressage Grand Final Grand Prix event, one of only 12 combinations throughout Australia invited to do so.

Anjanette is also a graduate of the Equitation Science International Diploma Course which enables her to confidently and accurately deliver information directly related to training both in hand and undersaddle using scientific evidence based training.

Anjanette has been asked to deliver both practical demonstrations and seminars at Qld Festival of Dressage and has co presented at Equitana with Dr Andrew McLean at 2 Equitanas. She has also presented at Pony Club and Riding Clubs throughout Qld. Anjanette trains regularly with Brett Parbery and Dr Andrew Mclean. The combination of ethical and sustainable training practices and competition focus has produced a successful thoughtful coach who will endeavour to maintain the highest standards of competition without any compromise to your horse's welfare.

"I have worked closely with Anjanette Harten for the past five years as her dressage coach and support. We work well together because we share the same philosophy about what dressage is and how it is to be done. She always endeavours to seek a solution based on a harmonious and horse friendly way, is a great communicator and is a lifelong student of the horse. I would happily take advice from Anjanette when it comes to training issues and would recommend her to anyone who is looking for a highly motivated, dedicated and intelligent coach." Brett Parbery

Skye Liikanen Joshua Knight

Josh and Skye met 9 years ago working at the Australian Outback Spectacular on the Gold Coast. Apart from working throughout Australia, they both spent time in Canada and USA chasing their dream of travelling and working with horses.

For Josh, several highlights made his trip memorable, firstly working with the team at the Australian Equine Performance Center in Midway, Kentucky with Dan James of Double Dan Horsemanship for two years. Working for Dan James gave Josh many unique opportunities and the experience of working with a large range of horses, including warmbloods, thoroughbreds, quarterhorses and mustangs. Some of Josh's main roles at the Center included starting the young horses under saddle and teaching them groundwork and liberty methods. The second highlight was winning the Overall Champion, Crowd Favourite and Rookie awards at the Kentucky Mustang Makeover in Lexington with the mustang mare Bindi. Competitors only have 100 days with their horses (who are basically untouched wild horses) before the competition, and Bindi gave an incredible performance to win! Not only did Josh get to work with a number of different horses but he got to see equestrian sport at its highest by grooming for our Australian team at the World Equestrian Games in Tryon USA with the reining stallion "Don Magnum".

For Skye, she also had the opportunity to work with team at Double Dan Horsemanship. She worked with a vast range of breeds and types of horses there, including warmbloods, thoroughbreds, quarter horses and ponies as well as starting horses at liberty and working with Dan's liberty team. Skye was also responsible for client liaison and farm management. One of Skye's main goals in America was to take part in the Retired Racehorse Project's TB Makeover. Skye found her partner Brumby for this in April of 2018 and had six months prepare him for the Freestyle and Dressage components of the competition in October. Brumby showed the true versatility of the TB by winning the Dressage Championship and placing 4th in the Freestyle in a field of over 100 competitors. Skye was also able to successfully take out client's dressage horses who had been started under saddle at the centre to their first competitions with wins and placings.

Remi Stud Young Rider Scholarship Program

To all our wonderful Supporters,

I am sure you will agree, that the **Remi Stud Young Rider Scholarship in 2019** was again an outstanding project that helped to support another deserving young rider in our sport. Our young riders are the future of equestrian sport in Australia, and it is wonderful that we can all get together to contribute to the future in our respective ways. To recap for you - our inaugural winner in 2013, **Isabella Wilkinson-McIntyre**, has proven to be a very worthy Ambassador for this Scholarship, and during the past year has, in turn, supported other young riders through her dedication and encouragement, so that they can believe it is possible to attain their dreams too. She has returned from Europe where she was training with Tessa Frank, and is now successfully competing on "Doc" winning multiple Preliminary & Novice Championships(prior to Covid 19), and is currently on the EA Qld Talent Recognition Squad 2020 next year.

We are sure she will continue this success when we are all out and about again. The 2014 winner was **Alexandra Barlow**, an eventer from Yeppoon, Qld, and she was awarded Remi Liberty Belle S. Belle was broken in by Team Van Den Berge late in 2016 and it was wonderful to see both these two horses at our Scholarship presentation at the Brisbane CDI in 2017. Belle has recently recovered from a tendon injury, and we are looking forward to seeing her out and about shortly, where she will be aimed at an eventing program. The 3rd winner in 2015 was **Jordyn Faint** from Londonderry, NSW, also an eventer, and she received Remi Fall Guy S. Guy went under saddle at the end of 2017 with Team VDB, and has had a long break as he was quite immature, but is now back under saddle and going well. Jordyn is very excited about his future as an eventer. Typical of the Fishermans Friend progeny, he is bold and calm, so we hope it will be an exciting year for them both next year. The winner in 2016 was our Tasmanian boy, **George Grover**, who is absolutely delighted with how Remi Lord of the Vale S has grown on. He is very excited to finally be riding him consistently after he had a nice break after coming back from Team VDB where he was put under saddle early in 2019. Pete (as he is known) is growing extremely well on the lush pastures in Tassie, and is already 16.3hh. We look forward to hearing of their progress as he matures into a competition horse next year.

The winner in 2017 was our Northern Territory dressage rider, **Olivia Ruzsicska**, who received Remi Lazzarini S. Oscar (as he is known) is growing like a mushroom in SE Qld and delighting everyone who sees him. He is certainly full of personality and Olivia tells me he loves anything different, like umbrellas, tarps, etc - nothing fazes him. He went under saddle earlier this year with Matthew Lord (in conjunction with Team VDB), which was very exciting to see another of our scholarship babies maturing into a riding horse. Our winner in 2018 was the beautiful chestnut filly, **Remi Lauries Dream S** and she was presented to **Saskia Smith**, a delightful dressage rider from Orange, NSW. Saskia has also spent her gap year training in Europe, and I am sure she has brought back all those skills to ensure that Dream has the best possible start to her competition career.

Last year, 2019, our winner was **Charlotte Stephens** from Samford, Qld, who definitely earned our support and was awarded the stunning gelding, **Remi Lauristinus S**. We look forward to watching Tico and Charlotte mature together in the years ahead.

The SADDLEFITTER

What the flock – questions a good fitter asks!

Different saddle brands have different materials used in the saddle panel. There are foam panels, air and flock to name the most common panel configurations. A flocked saddle panel refers to a saddle panel that is filled with a synthetic fibre or wool and flocked or shaped to fit and mould to the horse. There is debate on the best fibre in a flocked saddle but most Master Saddlers in the UK still prefer to use a wool flocked saddle even though the cost is higher. In fact many quality brands are specific as to even the type of wool used as some have better qualities for cushioning the horse's back over time in a saddle panel.

Your saddle fitter should know the type of flock used in the saddles they sell AND keep in stock that type of flock so that they can ensure for flocking adjustments they get a good smooth finish. Why is that important? Your horse could tell you.... A consistent flock is more likely to be smooth and not cause lumps and uneven bedding down on the horse's back. So if you are purchasing a quality saddle – remember to make sure you have purchased through someone who knows how to fit it correctly and takes the times to match the correct flock to your saddle, the right flocking might be more expensive but a quality saddle deserves to be treated with respect.

Choosing your Saddle Fitter

10 things to consider and questions to ask:

1. Is your fitter trained in the brand you are purchasing or own, have they trained with the saddlers and know the adjustments possible to maximise the fitting capabilities of your saddle.
2. What qualifications does your fitter have and are they independent or brand specific qualifications,
3. How many years has your fitter been adjusting and fitting saddles,
4. Is your fitter able to adjust your saddle on site or do they need to take it away -what are the costs for gullet adjustments, flocking adjustments and girth point replacements,
5. Does your fitter watch you ride during your fit and again AFTER adjusting the gullet and flocking,
6. Do you get a complimentary follow up saddle fit with your saddle purchase,
7. Are you buying a saddle through and supporting a local business that gives back to your sport,
8. How long does your fitter allow for a saddle fit,
9. How regularly does your fitter travel to your area, and
10. Does your fitter work with and supply a range of saddle brands as not one brand will work for all horses or rider.
