2020 GREENACRES PONY DRESSAGE LEADERBOARD

Selected official pony dressage competitions will be eligible for points toward the 2020 Pony leaderboard.

A single leaderboard for ponies competing at all levels in official classes will be compiled. Specific events detailed below will be designated as leaderboard events and therefore attract points.

For these events, points will be allocated based on both placings and percentages. A maximum of two tests are counted for each event. If more than two are entered the highest two entered will count. Points will be allocated to pony/rider combinations. The leaderboard is open to EQ competitors only. Only ponies with a current Pony Dressage competition licence are eligible to accrue points.

Placing Points (awarded only where the minimum percentage is achieved)

1st 10 points
2nd 7 points
3rd 5 points
4th 3 points
5th 2 points
6th 1 point
7th+ 0 points

Where separate pony classes are not offered the placings points are awarded based on the place of the pony within the class, regardless of the placing overall. eg if ponies placed 3rd, 7th and 12th against horses, they would be awarded the points for first, second and third in the leaderboard ie 10,7 and 5 respectively.
