## From the Committee

### NEW VENUE FOR 2015 QUEENSLAND INTERNATIONAL THREE-DAY EVENT

The 2015 Queensland International Three Day Event will be held at the Noosa Equestrian Centre, Tandur from 3 to 5 October.

Queensland's only International Three Day Event will be directed by former Queensland and Australian eventing champion Brett Cantle with support from equestrian doyen Wayne Roycroft.

The event will again feature the State of Origin challenge between Queensland and New South Wales teams, a dressage master class and a show jumping competition.

### **BUT WAIT ... THERE'S MORE ...**

This year the Queensland International Three Day Event will be held in conjunction with the Eventing Queensland State Championships.

The existing course is being upgraded to Three Star in preparation for event.

Eventing Queensland is pleased to partner with the Queensland International Three Day Event Committee and Noosa Equestrian Centre to ensure this year's State Championships will be an event to remember.

Keep an eye out for more information in future editions of OnCourse.

### **2015 Equestrian Australia National Rules for Eventing**

The 2015 rule book is available on the Equestrian Australia website ([www.equestrian.org.au](http://www.equestrian.org.au)). Download the mark-up version to quickly identify what's new. Better still, give the full book the once over, to keep up-to-date with all the rules.

### **Medical Information**

The 2015 Eventing Rules now stipulate, riders only need to wear a Medical Armband if they have a medical condition. Instead all riders need to provide Next of Kin information to the event organisers before the Cross Country Phase. This information is provided to the Medical Responders to comply with the rule change. The Next of Kin information should be a person the Medical Responders can contact, someone at the grounds is preferable. This person should also have knowledge of anything that might be important when the Medical Responders are assisting you at an event.

Please make sure this information is up-to-date and fully completed when you enter a competition on the Nominate website, so the event organisers can use the information for the Medical Responders.

# For Your Information

The 2015 National Eventing rule is available only. Below are EXCERPTS of SOME of the updates. Please read the entire rule to ensure you have a full understanding. As always if you are unsure about a rule, officials and Eventing Queensland are here to help.

## Article 505.3.4 CNC/CCN Prize Money

- A minimum of one prize shall be awarded for every 4 competitors.

- The first three prizes must be cash, with third prize not being less than the entry fee.
- At EvA80 and EvA95, prize money is optional.

Don't forget Kooralbyn is back on the map and are holding their first ODE in April. This course has been a long time favorite of many eventers! And if you are able to help out at the event please let KEG know.

# Thank-you

**Before**

**During**

**After**

**We would like to say THANK YOU to people and organisations who have assisted us to further the sport of Eventing in Queensland.**

Thankyou to **Natasha Gunston** and **Emma Hansen**. Natasha and Emma attended the QSEC Horse and Home Show in earlier February, representing Eventing on the Equestrian Queensland stand.

Thank you to **Bayside Springs** who completed a full refurbishment of the Eventing Queensland Trailer and gave the Dressage Arenas a facelift at no cost. Bayside Springs were able to enlist other businesses in this task, so thank-you to -

**Bayside Springs** for the donation of parts and labour; **Auto Electrical Imports** for the donation of all new Ionic LED lights and reflectors; **Signs by Andrea** for the new signwriting; **Aussie Rapid Blast** for sandblasting the trailer; and **The Bolt King at Capalaba** for donating all the nuts, bolts, rivets and locks that needed replacing.

And as always Thank-you to the **supporters, volunteers** and **sponsors** of all the clubs, events and Eventing Queensland. Without you we would not be able to enjoy this sport we love so much.

So at the end of an event, just think about the small things you can do to help. Even picking up rails for 5 minutes, or a simple thank-you to the organisers of the event can make all the difference!

## Eventing Queensland Random Teams

With two events under our belts, the 2015 Eventing Queensland Teams competitions has proved to be a popular addition to our events.

At the close of entries one horse for every rider entered in a competitive class is placed on a team consisting of three or four riders, randomly selected by computer. At the end of the event the three lowest penalties of the team riders are tallied and the team with the lowest penalties is declared the winner. A team of three is competitive and may beat a team of four.

Where possible each team will have an Eventing Queensland Squad Rider or experienced eventer to give those less experienced competitors another point of contact should they be unsure of anything.

Riders are encouraged to seek out and support the other members of their team throughout the event.

At each of the events so far this year, two different teams have taken home the prize money. Team WARREGO on 165.1 penalties were the conquerors at the Tamborine event, and Team JAMES on 150.2 penalties were victors at Warwick.

Team and team scores are available on Live Scoring.

Who will be the winning team at Fig Tree this weekend?

## 14 & 15 February

Well it only seems like yesterday that the 2014 competition season was over.... The first event for the 2015 season has since already been and gone... and what a fantastic start to the year!

We had a brilliant turn out of riders with 204 entries! Thankfully the weather gods were with us too with spectacular sunshine and only a shower for the entire weekend. Events like these though, would not happen if it wasn't for the amazing sponsors and the tireless effort of the volunteers! So with saying that, we would like to take the time to thank all of those involved: St Bernards Hotel, Hyland Sportswear, Technyflex, Horse n Rider Jimboomba, Promectin Mini Wormer, Aitken's Saddlery, Equissentials, Excel Performance Products - Dynavite, Aussie Blue Heeler Products, Jimboomba Produce, Subway, Blue Ribbon Photography, DKA Photography, Bromleton Quarry, Tableland Herb Farm, Aunty Jaqui's Jump, Aussie Excavators, Filthy Beast, The Webb Family, Cil Dara Stud, Cushavon Park and The Cooper Family! To Karl Steininger from Over The Top, thank you for the raffle, will be exciting when it is drawn at the end of the year! Sue Nahrung for your amazing catering! Thank you also goes out to the TEG Committee, VOLUNTEERS, scorers and officials. Last but not least, thank you to our Showjumping and Dressage judges!

The come and try class saw some great riding and great achievements for the class, this encouragement class is helping to get people involved in the sport and join EA and continue through the grades, and we were very impressed by their performances.

Congratulations to all the class entrances and we are looking forward to the next TEG ODE!

# Squad Rider of The Month

## Charlotte Price

**Where were you born?** Sheffield in England

**Where do you live now?** Tamborine QLD Australia

**What is your occupation?** Full time horse rider & trainer

**How did you get started with horses?**

My entire family have always had horses and I started riding with my auntie when I was tiny... she used to hang on to me in front of her and take me out for rides! Eventually when I had nagged my parents enough to get me my own pony I was 11 and they had decided that I was not going to lose interest and they finally gave in!

**What made you choose eventing as a sport?**

One of the ladies that used to teach down at our local riding club was into eventing, I didn't really know a lot about it, then I went to a couple of events to help her out grooming and she offered me the ride on one of her horses while she was pregnant and I have been doing it ever since then!

**What have been your career highlights?**

Competing at 4\*\*\*\* level

Long listed for the GB Junior European Eventing Team 2003

**What are you goals for the future?**

To keep competing at the highest level, produce and train young horses to a high standard and to help other riders reach their goals.

**Who has influenced your riding career?** Sarah Healy (who got me into the eventing)

Stephanie Thompson (a lady that I worked for in the UK) Kevin McNab and Tony Manca

**Who is your Equestrian Idol and why?** Mark Todd.... He is an amazing XC rider and he is still going strong!

**What motto/saying do you live/ride by?** You only get out what you put in!

**What is your advice to younger riders wanting to follow in your footsteps?** You have to do it for the love of horses and your chosen sport and be prepared to work extremely hard for a very long time!

**Do you have any sponsors?** I am very lucky to be Sponsored by a very supportive group of people; Over the Top Yards and Jumping equipment, Aitken's Saddlery, Technyflex Premium Joint Supplement, Tredstep Ireland & Equilibrium Products

**Who are your horses, what level are they at and what are your goals for them in 2015?**

My main horse is Kinnordy Gambia she is an 11 year old Hanoverian, she will again be aimed at Adelaide CCI4\*\*\*\* at the end of the year, she will do a few lead up events before that, probably Melbourne CCI3\*\*\* and some other runs for fitness around these two main events.

Other than that I have a great team of young and green horses that will be campaigned around lots of events throughout the year, hopefully creeping up the grades during the season!

# Eventing Queensland Awards

The movement of EvA95 (Preliminary) to now be considered an 'above the line' or official class has prompted Eventing Queensland to undertake a review of the Award Criteria. Awards that have been generously donated to the Eventing Community in Queensland have been kept the same to respect the wishes of the donating families. Other awards have been updated to make them more relevant for the present class structure. The weighting being applied to the award criteria will bring Queensland into line with other states.
