2025 Team Queensland State Team

Introducing the Captains

Name: Ashlee Lowe

School: Tamborine Mountain College

Horses: Jackpot Jimmy (Spike) OTT

Disciplines: 2* Eventing

Fun Fact: Bought Spike as a pure straight showjumper and was so certain he would be a good for nothing eventer, so he stayed at 95cm eventing for over 3 years. Now he's recently moved to 3*. I guess I was wrong about him!

My journey: I've ridden for as long as I can remember but I began interschool in 2017, when I was just 10 years old. Since then, I have made the nationals team every single year and it has always been the highlight of my year!! I've always been captivated by the spirit the QLD team offers and gives to each rider, that is why I love this team! And I'm so grateful and excited to be doing my last year with the one person who has made this journey so spontaneous and supportive, Genny!

2025 Team Queensland

State Team

Introducing the Captains

Name: Geneva Searle

School: Fairholme College

Horses: Grey Opinion (Penny) – 14y/o grey OTT – & La Belle GHP (Lily) – 6y/o warmblood

Disciplines: 1* Eventing & 100cm Showjumping

Fun Fact: My family has owned Penny for her entire life – breeding her, racing her, retraining her, and then competing her. Meanwhile my horse Lily, the baby of the team has only been with us for two years, and I have only competed her for 5 months. Both of my mares are full of personality and let's just say, they are not horses you want to be near in the stables!

My journey: I have been riding for my entire life as I have always been surrounded by horses. So, about a decade ago, I followed in my sister's footsteps and started Interschool, competing in show horse and dressage. From there, I have been on the Nationals team 7 times, proudly representing my State each time, and changed discipline many times. Now in my final year, I am proud to lead my state alongside my favourite Ash!

Combined Training

Introducing the Captains

Name: Bronte Forbes-Rohde

Age: 17 years old

School: Balmoral State High School

Horse/s: 6 year old off the track, Kolora Stud Swat (Swat). Novice level dressage, 90cm showjumping and 65/80 eventing.

Disciple/s: 95cm ct at nationals.

Fun facts and background on Swaty!

- He had never actually raced, he did two trials and then his race career was called quits!
- He was then a pet to his trainer for 18 months before he was given to someone who started his showjumping career
- Since then I bought him and his career in eventing and to be honest more dressage has started!!
- He is a big baby who just wants cuddles and to show you his smile
- His dad is So You Think, QUOTE “arguably the hottest stallion in Australia”

My journey:

I started competing in interschool in grade 7 however, unfortunately I didn't take it too seriously as my whole focus was on EA eventing. This is something I really do regret, as this is my first time actually competing at nationals and sadly will be my last. Last year was when I started taking a little bit more interest in Interschool and actually got selected for the eventing team but had an accident which led to me having to decline. Since then I set my eyes on nationals for this year and fortunately got a place in combined training.

Combined Training

Introducing the Captains

Name: Matilda (Tilly) Canavan

School: St Andrews Anglican College

Age: 17 years old

Horse/s: Finch Farm Miami aka Miley, warmblood bay mare

Discipline/s: Competing in Combined Training

Fun Fact: Miley only likes green sour apples and not red apples

My journey: I have been competing in interschool since I was in year 8 starting off in the 70cm on my grey gelding Jardel, he put me through all the levels in interschool showjumping. Interschool has allowed me to make life long friends who have supported me and my journey as well as giving me and my horses so much competition exposure. I first made the State Team in 2023, unfortunately not having a good run in Werribee, I was hopeful to make a comeback in 2024, but due to horse injury the week before, I was unable to attend. I'm here 2025 Nationals, with both my horse and myself feeling better than ever!

Dressage

Introducing the Captains

Name: Zoe Hoskinson

Age: 17

School: Australian Christian College

Horse/s: Paladin is a 11 year old welsh cob who is mainly a dressage pony, but also loves a bit of showjumping. He is the coolest horse to do anything with!

Discipline/s: Elementary Dressage

Fun fact: Paladin LOVES liquorice (he will literally push you over for it!), and I have a huge fear of birds.

My Journey: For the past 6 years I've had the opportunity to compete at interschool competitions, and I've truly loved every minute of it. From my first comp (where I was so nervous), to now, Interschool has seen me grow up through the levels to where I am now, receiving countless ribbons and championship rugs along the way. Each year has certainly brought challenges, but more importantly, unforgettable memories and friendships!

2025 Team Queensland

Dressage

Introducing the Captains

Name: Irish Kerr

School: Riverside Christian Collage

Horses: Drinks On Deco (Dods) 20 year old OTT, It's A Punt (Paddy) 6 year old OTT

Disciplines: I* Combined Training riding Drinks on Deco & Senior Prelim riding It's a Punt

Fun Facts: Dods is a mature old man but still has a spring in his step. For being 20 years old, he still tries his heart out. He loves when he sees me get his massage gun out or hears the sound of a treat packet. Paddy is a funny little baby horse. He loves you to play with his tongue and you need to make sure nothing is in his reach. He picks everything up and throws it including chairs, buckets, and saddle pads.

My journey: I have ridden ever since I was around 3 years old but started interschool in 2021. I have always loved interschool events not only for the competing part but also making a lot of new friends along the way. I have previously gone to one other Interschool Nationals event riding Drinks on Deco in the I* CT, so I'm super excited to be finishing off my interschool journey down in Sydney riding both Dods and my young horse Paddy.

Eventing

Introducing the Captains

Name: Abbey Gordon

Age: 18

School: Fairholme College

Horse/s: Belrock Nadal (Bugs)

Discipline/s: 2* Eventing

Fun fact: His name is Bugs because he has massive ears like Bugs Bunny.

My journey: I first started interschool in year 7, riding my ASH. In year 9 I did my first ever eventing competition and since then, I bought my own horse and continued my eventing journey until I did my first 2* this year.

2025 Team Queensland

Eventing

Introducing the Captains

Name: Zara Wyatt

School: McAuley College

Horses: Laradowns Larrikin (Larry) -
10yo Chestnut QH x Paint

Disciplines: EvA95 Eventing

Fun Fact: We found Larry on Gumtree (we call him a “gumtree special!”) and when we first went to look at him, he was barefoot, ground tied and he hadn’t been ridden in 6 months. However I knew once I started jumping him around he was gonna be a very cool little horse and he is!

My Journey: I started riding when I was 8 at a local riding school and begged mum and dad for ages for my own pony which started it all. I started Interschool 7 years ago and attended my first Interschools with the late “Lincolnfield Latte” in 2021 proudly representing Team QLD who started my love for eventing. Now, I’m carrying everything he taught me into my future rides which includes into my passion for the sport by cheering on all the other riders. I am very excited to be with fellow eventer Abbey as eventing co-captains in my last year in Interschool!

Jumping

Introducing the Captains

Name: Sienna Mickelbrough

Age: 17 years old

School: Downlands College

Horses: Winter (Winter Hill) is an off the track thoroughbred that I started riding mid last year, we have been competing at I* combined training. Penny (Penny Quinn) is a quarter horse and is a total freak, I have completed Penny at 90cm and 1m.

Discipline/s: I* combined training (Winter), 90cm showjumping (Penny)

Fun fact and background: Winter and I had a very rough start with our journey together but as we started to get to know each other and started to become a team. I believe he will take me all the way.

Penny used to be my dad's horse which he originally bought as a trail riding horse but we found out she was a fun horse and she ended up winning States twice in the 90cm.

My journey: My love for horses started when I was just a little girl, I started my horse riding journey through doing gymkhanas, but I soon found out that my love stood with show jumping.

Name: Finnigan Bazzan

Age: 17 Years Old

School: St Patricks College Gympie

Horse/s: Warrego Landedon (Hank), 16'3 warmblood

Discipline/s: Showjumping 1.20cm

Fun Fact: Hank hates trotting and will only trot on the lunge.

My Journey: Year 5, I first started riding for Interschool, and since then I have never looked back. With a natural passion for horses and competition, I have qualified for the State Championships every year without fail, a testament to my dedication, skill, and love for the sport. My talent has also seen me represent at Nationals three times, always in the discipline of showjumping, where I thrive on the thrill and precision of the sport.

For me, Interschool events are more than just competition - they provide a foundation for my riding year and an opportunity to connect with friends and fellow riders across the state. I love the atmosphere, the challenge, and the chance to continually improve, all while being part of the Interschool community. My journey is one of consistency, determination, and genuine passion for showjumping.

Show Horse

Introducing the Captains

Name: Morgan Lyall

Age: 17

School: Genesis Christian College, Year 12

Horses: Morganvale En Vogue (AKA Oscar) and Mr Banks (AKA Walter), both Australian Riding Ponies competing at nationals

Disciplines: At nationals - working hunter with Oscar, and elementary dressage with Walter

Fun Fact:

Mr Banks had only competed in a handful of newcomer show horse competitions when I bought him. The goal was to turn him into a dressage pony, but after scoring 53% in his first ever dressage test we thought maybe it wasn't for him. Long story short, we have now competed FEI Children's, FEI Pony and EA levels up to Medium with wins at State, National and CDI level. Morganvale En Vogue was bred by us, and sat in my grandmothers paddock until he was almost 6 years old. After growing too big for my previous jumping pony and Walter not being too much of a jumper, I decided to train Oscar up purely by myself as a keen 12 year old to be purely a "fun" pony. He has also had plenty of success at state and national level in his short competition life. Both ponies are my absolute best friends and I owe my life to them.

My Journey: I started Interschool at 9yo, as only a little show horse and pony club rider - but through the opportunity to compete in a wide variety of disciplines at Interschool, I decided to dip my toe into showjumping, dressage and eventing! I have competed and placed in the top 2 at Interschool states in all disciplines (show horse, dressage, showjumping, ct and eventing). I have been fortunate enough to come away with 10 state champions and 24 qualifications for nationals over the years. Interschool competitions have always been my favourite since I was younger, as I get to hang out with my best friends made through Interschool and competing my ponies. I am so honoured to have been chosen as one of the discipline leaders of the Queensland team!

2025 Team Queensland

Show Horse

Introducing the Captains

Name: Sarah Willsford

School: St Aidan's Anglican Girls' School

Horse/s: Its Storm

Disciplines: 2* Combined Training and Working Hunter

Fun fact: I am incredibly blessed to have had the opportunity to lease Storm since February this year. Primarily from a show jumping background, Storm and I have also given a variety of disciplines a crack, including showing, dressage and cross country!

My journey: I started at interschool in 2020 with my first pony, Mr Oakey Doakey. Since then, I've definitely developed a strong passion for competition and the sense of community that comes with cheering on from the sidelines. This year, I'm beyond grateful to be co-leading the show horse riders alongside Morgan. It's not just a chance to support the riders, but also a chance to give back to the sport I love. I'm beyond excited to see where this journey takes me next. Go QLD!!

Riders who have competed that day and their Presentation for their discipline is on that evening must be in full competition uniform, including helmet. This includes riders who do not place in the top placings. Captains for the Presentation Disciplines must be present for Presentations. If Captains have not competed that day they may wear the Closing Ceremony Uniform.

All other Competitors that are not included in the days Presentation must be present in the Grandstand in their Closing Ceremony Uniform to support their Team.

On / Off Horse Daily Uniform When Not Competing

The training uniform is to be worn as much as possible when working horses and when helping around the grounds. We understand that these uniforms will get dirty and may not be able to be worn every day, however we would like each rider to wear as often as they can.
