WELCOME

WELCOME TO THE 2026 EDWARDS SADDLEWORLD INTERSCHOOL QUEENSLAND STATE CHAMPIONSHIPS

This year's Interschool State Championships will be one of the biggest equestrian events in Queensland. We are welcoming more than 250 riders, 350 horses and along with thousands of family members and supporters. An event of this scale takes an enormous effort, and thanks to the dedication and perseverance of a small but mighty team, the stage is set for an extraordinary experience. It would not be possible without the generous support of our major naming rights sponsor Edwards Saddleworld, we greatly appreciate their support of Interschool Queensland.

We are deeply grateful to our volunteers, officials and community, who we know will work tirelessly to deliver a positive and supportive event for everyone involved. You are the heart of our sport and we are so grateful. To our riders: your journey to qualify for the State Championships reflects hard work, resilience and passion for your sport. Enjoy the experience, give it your best, and remember that you are not only representing your School and Region but also the wider equestrian community.

As the arenas come alive with colour, skill and spirit, remember to give every rider the chance to shine, to encourage one another, and to celebrate our beautiful horses and how lucky we are to take part in this special sport. Cheer each other on, show kindness and support, and always put your horse first.

EDWARDS SADDLEWORLD LEG UP BURSARY

OVER \$20,000 IN VALUE

Any rider who has competed in QLD Interschool competitions for the year can submit an entry.

Congratulations to Bella Witt

Winner of the
2025 Edwards Saddleworld Leg Up Bursary

Bella has already achieved an impressive equestrian career, showing dedication, sportsmanship and passion for her horses. She continues to shine in competition while balancing the hard work and commitment that comes with pursuing excellence in the sport.

The Leg Up Bursary is designed to support riders like Bella as they take the next steps in their journey. We are so proud to help her continue chasing her equestrian dreams!

Why we started the Edwards Saddleworld Leg Up Bursary

We're passionate about supporting the future of equestrian sport- and that future lies in the hands of young, driven riders across Queensland. We created this bursary to recognise and reward the commitment, passion, and perseverance of student riders who give their all- At school, in the saddle, and behind the scenes. We know how much dedication goes into early mornings, late nights, training sessions, and balancing study with sport.

Please practise good biosecurity before, during and after going to an event. For information in relation to travel permits & spraying please contact your local Department of Primary Industries. It is a requirement for entry to this event that all competitors provide a current Horse Health Declaration (HHD) form for each horse entering the showgrounds.

An EQ HHD form is required upon check in every time a horse is brought onto the grounds. You must submit your HHD to the IQ office on arrival.

The EQ HHD online form can be found [HERE](#).

- Horses that become sick during the event must be reported straight away to the Biosecurity Officer.
- Horses, when not being ridden, must be kept in allocated stables or yards.

Horse Health Declaration (HHD) Form

This includes at any mounted presentations. This ruling applies even if a horse has completed its competitions at an event.
- Vaulting is not considered as a horse being ridden.
- The exception to this ruling is that a horse can be ridden by more than one sibling rider at an event in different disciplines and the horse does not compete in more than the maximum number of tests/sections allowed in the day by EA discipline rules (eg, no more than 2 dressage tests in one day).

Helper Jobs / SignUp

- The State Championships event relies on volunteers to assist in the running of the competition.
- It is compulsory for each rider to nominate a helper for the event via the SignUp online platform that will be emailed through prior to the event.
- Each rider is required to sign up for 1 job per class entry - maximum of 3 jobs per family.
- It is the responsibility of the rider and their support people to check volunteer rosters and to complete the tasks allocated.
- If for any reason a helper role cannot be completed i.e. due to the rider withdrawing from the competition (scratching/non-attendance), the rider must ensure a substitute helper is found and the OC is informed.
- Failure to complete a helper role may result in disqualification from that event, any placings/prizes and qualifying results may be forfeited.
- OCs have the right to refuse entries from participants who repeatedly do not fulfil helper requirements.

Marshalling / Gear Check

- The designated Marshalling/Gear Check point is compulsory for all participants to check in at least 15 minutes prior to their entry in each phase of every class. Competitors may not compete until they have been cleared through marshalling.
- Dressage - official gear check to be conducted after test. Failure to present will result in elimination. Note: No person may approach or touch the horse and rider from arena to gear check. A pre gear check prior to ride is advised to encourage correct equipment to reduce gear/equipment elimination.

Saddlery & Equipment

All equipment should comply with the [2026 IO Handbook](#) and [EA rules](#) for individual disciplines. This is the responsibility of the participant and/or parents to ensure that saddlery and equipment is in good repair, meets the relevant safety standards and is fitted appropriately.

COMPETITOR

COMPETITOR INFORMATION

Substitutions

On approval from the IQ committee, riders may substitute an alternative qualified horse combination up until the start of competition for the day providing details of the horse registration is presented to the organising committee. No rider may be substituted for another rider.

Disputes

We remind riders that IQ events are organised and conducted by volunteers. These people invest many hours of their own time and make every effort to manage events in a professional manner. If errors occur, we request patience while endeavoring to correct any problems. Any abuse, either by rider, parent or members of the rider's entourage, at an IQ event will not be tolerated and may be subject to disciplinary processes as per EA Rules and Regulations.

No competitors or parents are to directly approach any judges, stewards, course designers or any other officials or volunteers with disputes, complaints or queries at penalty of disqualification.

Any objections or disputes at events MUST be made to the TD within thirty (30) minutes of the event giving rise to the objection. For information on protests and appeals refer to the [EA General Regulations](#) and [EA sport rules](#) for the relevant discipline.

Code of Conduct

It is expected that Athletes and their support teams will adhere to the rules of the competitions in which they participate and that they will show respect for other competitors, their horses, officials, judges and administrators in their actions and their words. The conduct of members of the sport overall is controlled by the EA Member Protection Policy. The EA Codes of Conduct and Safeguarding Children & Young People Policy must be adhered to by all competitors and their parents/guardians, during any IQ activity. Any abuse, either by a rider, parent or members of the rider's entourage at any IQ event will not be tolerated and may be subject to disciplinary action. Refer to the EA Interschool Rules and EA website for Codes of Conduct, protection policies and information regarding disciplinary procedures and yellow cards. Breaches of these general conduct practices may result in disqualification from the competition and depending on the severity of the offence, the athlete and/or their associates may face disciplinary action.

Horse Welfare

Refer to the EA General Regulations for all Horse Welfare rules and regulations. For the maximum starts per day that apply refer to the conditions of entry section on page 10.

Horse abuse in any form will not be tolerated. If horse abuse is determined the athlete will be disqualified from the competition. The sighting of blood on the horse during a test, whether wet or dry, will entail elimination and/or investigation by the Ground Jury/Technical Delegate based upon the Sport Rules of the discipline involved.

Soundness

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate. For Dressage there is no appeal against this decision.

Horse Medication Control / Swabbing

Horses and ponies ridden in EA competition must not compete under the influence of prohibited medications. The FEI defines what a prohibited substance is. The EA Anti-Doping and Medication Control By-Laws describe requirements for the drug testing of horses and ponies. These can be found in the EA National Medication Control System & Swabbing Policy. Participants should note that swabbing may occur at any event. Further information is available on the following links - Medication Control and Clean Sport.
