2026 SPONSORSHIP PROPOSAL

About Interschool Queensland (IQ)

Interschool Queensland (IQ) is dedicated to fostering youth development in equestrian sport across the state. Each year, hundreds of riders participate in Regional and State Championship events, representing their schools with passion, sportsmanship, and dedication.

The 2026 season will feature **four Regional Championships** across the disciplines of Dressage, Show Horse, Jumping and Combined Training, where riders earn qualifying results towards the pinnacle event of the year, the **IQ State Championships**, bringing together competitors from all corners of Queensland. These events present exceptional opportunities for organisations to support youth sport while gaining brand visibility and community engagement.

In addition to Regional and State Championship events, Interschool Queensland proudly supports and selects the Queensland State Team to compete at the **Australian Interschool Championships (AIC)**. This prestigious national event brings together the top school-aged riders from across Australia, showcasing excellence, teamwork, and high-performance pathways in equestrian sport.
