

2026 Team Queensland

AUSTRALIAN INTERSCHOOL CHAMPIONSHIPS
27 SEPTEMBER - 1 OCTOBER

2026 SPONSOR OPPORTUNITY

To Our Valued Sponsors and Supporters,

It is with great pride that we invite you to partner with **Interschool Queensland (IQ)** and support the **2026 Queensland State Team** as our young equestrian athletes prepare to represent their state at the **2026 Australian Interschool Championships**, being held at **Werribee Park National Equestrian Centre, Victoria**.

This year, **61 total riders, from 39 different schools, spanning year 3 through to year 12** have earned the honour of wearing the maroon and representing Queensland on the national stage across Dressage, Jumping, Eventing, Combined Training and Show Horse.

For our riders and their families, reaching the Australian Championships represents the culmination of many years of dedication, training and commitment. It also involves a considerable undertaking, with horses, riders and their support teams travelling thousands of kilometres from communities across Queensland to compete in Victoria.

At the heart of Team Queensland is our renowned **Mighty Maroons team spirit**. The Australian Championships are about much more than results in the competition arena. They provide our young athletes with an opportunity to **represent their state with pride, develop resilience and independence, build leadership and teamwork skills, and form friendships and memories that can last a lifetime**.

To support the continued success of our riders and the State Team program, we are seeking businesses and organisations to join us as **2026 Team Queensland sponsors and partners**.

Your support will directly contribute towards:

- **State Team development and preparation** in the lead-up to Nationals.
- **Team management, coordination and event logistics**.
- **Travel and operational costs** associated with representing Queensland interstate.
- **Resources and initiatives that enhance the rider and family experience**.
- Building a strong and connected **Team Queensland culture** across riders from throughout the state.

In return, our partners have the opportunity to connect with a passionate and highly engaged equestrian community through **Interschool Queensland's digital platforms, social media, e-newsletters, State Team communications and promotional activities**, together with recognition associated with Team Queensland's participation at the Australian Interschool Championships.

Whether through financial sponsorship, travel assistance, products, services or rider support, **every partnership contributes to making the State Team experience more accessible and memorable for our young Queensland athletes and their families**.

We warmly invite you to become part of the **2026 Mighty Maroons journey** and stand behind these remarkable young athletes as they proudly represent Queensland on the national stage.

On behalf of Interschool Queensland and our State Team riders and families, **thank you for considering supporting Team Queensland**. Together, we can help our riders achieve their goals, strengthen the State Team program and create an Australian Championships experience they will remember for years to come.

With appreciation,

Interschool Queensland
Equestrian Queensland
