Riders who currently compete at 2\* dressage competitions may submit one score from one of these events as an IQ Qualifying score. Please note, these are not official IQ Tag On Competitions, therefore riders need to ride as per official dressage rules, use an EA Dressage bridle number (not IQ number) and there will be no specific IQ classes/prizes.

**All EA one, two or three day events anywhere in Australia can be used as qualifying competitions for the IQ State Championships.** These run under normal eventing rules, and riders should ride using numbers allocated by the OC, not IQ numbers. There are no separate IQ eventing classes at these events. The eventing calendar can be found under 'events' here:
