Fernhill Agistment & Equestrian Centre

A magnificent and iconic 1700 acre estate, in Mulgoa (just south of Penrith), NSW. Built in the 1830s, the Fernhill sandstone mansion and surrounds certainly make it one of the grandest of Australia's leading country estates.

At Fernhill Estate we offer the following equine services:

- Spelling racehorses
- Agistment for performance horses
- Breaking in thoroughbreds
- Pre training racehorses
- Coaching and training showjumping riders
- Horses for sale - we can source one specifically to suit your needs
- Please contact Tom on 0402 309 667

Kolora Lodge has been established into a very up-to-date breaking, pre-training and spelling centre for racehorses. With less than an hour to the Gold coast or Brisbane, Kolora is located in between the two main race tracks in Queensland. With the knowledge and expertise of Peter McMahon, Kolora has been developed into a first-class destination for many of Australia's leading trainers to send their horses to. Pete's passion is breaking in and giving a horse solid foundations for the future. His attention to detail is clearly shown when the horse leaves the property better educated and more developed than when it arrives. Read more: www.koloralodge.com.au

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47.
