## GENERAL INFORMATION

The Brisbane CDI Organising Committee would like to thank you for your entry and wish you the very best of luck at the event. Please read through the following important information regarding the Brisbane CDI. Regular updates will be posted on the CDI web page and on our Facebook page (search Brisbane CDI).

### QSEC IS A GLASS FREE VENUE

As users of this great venue we need to observe and comply with the laws that the venue is run under, which are the same laws as other large sporting venues in Qld, such as Suncorp Stadium and the Gabba. If you bring glass onto the venue in your vehicles, then that's where it needs to remain – **DO NOT** place empty bottles in the QSEC rubbish bins – take them home with you. There are large fines for people who do not abide by these rules, and as these rules have been flaunted by users of the venue, spot checks have started to be carried out.

### FACILITIES

We request that competitors take the utmost care in looking after the wonderful facilities that are being provided at QSEC. Please take pride in this fantastic venue and keep the toilets and amenities block clean. Recycling bins are located throughout the venue and we request that you place your rubbish in the appropriate bin. Please make yourself familiar with the QSEC Camping & Stable Rules and Regulations: <https://www.qsec.com.au/files/assets/qsec/forms/camping-and-stable-rules.pdf>

The indoor arena precinct is a non BYO alcohol area – that is, you can only consume alcohol that has been purchased at the bar at the indoor arena.

### DOGS

Dogs are permitted in the stable complex **ONLY**. Dogs **ARE NOT PERMITTED** at the indoor arena, the outdoor arenas or in the trade village. All dogs at all times must be secured or on a leash that is no longer than 1 metre in length. **Do not bring dangerous dogs to this event.**

### BIOSECURITY

Qld biosecurity legislation requires that we must all keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smart phone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit on arrival at the Brisbane CDI can be your Movement Record, however, as we require you to submit your horse health dec to us, you will need to take a copy of the form, i.e. photo with your phone. You will also need to create a Movement Record for your trip home. QSEC's PIC is QGCB1219.

### SPRAYING FOR COMPETITORS FROM NSW, VIC OR TICK-FREE AREAS

We have arranged for an accredited stock inspector, to come to the venue on Saturday July 20 and possibly Sunday July 21 to spray horses returning to NSW, VIC or Tick Free areas. The stock inspector will help you with the paperwork. Provided you cross the border within 24 hours of being sprayed, you will not have to stop at a Treatment Facility, such as Kirra, on your way home. We hope that this will make your journey home to NSW much more stress free. The cost of spraying is being subsidised by the event, but you will be asked to pay **\$40 per horse** directly to the stock inspector (the event will pay \$30). Please have this money in cash at the time of spraying and give it to the stock inspector. Riders who are from tick free areas in Qld and would like to also have their horses sprayed at the venue are also welcome to do so. **ALL RIDERS WHO WISH TO HAVE THEIR HORSES SPRAYED AT THE VENUE NEED TO CONTACT LEESA MURRAY by 7 JULY.**

## DRAWS

## ARENA FAMILIARISATION

An arena familiarisation timetable will be posted on the CDI website and riders are permitted to ride in the specified arenas at these set times. Competitors are advised to check the notice board in the Riders XOXO Bubbles & Beans Marquee for updated times at the event.

## INDOOR ARENA 2

Due to space constraints, if you are competing in Indoor Arena 2, you will need to enter the arena and start your test from inside the arena once the judge has rung the bell. This arena will have a gate opener to let you in and out.

## GEAR CHECK

Under the current EA Dressage rules, it is compulsory for every horse and rider combination to have a gear check for every test they ride. The stewards will advise whether gear checks will take place before or after your test.

## WHIPS & GEAR

A reminder that whips that do not comply with current EA rules (must not exceed 1.2m in entirety for horses, and 1.0m for ponies), will not be allowed in the **warm-up** and **competition** areas. A whip may be carried in all National Competitions.

**Whips CDI Competitions:** At all international events, it is forbidden to carry a whip of any kind while competing in the arena. However, the use of one whip (maximum 1.2m), in the practice area is allowed. **The whip must be dropped before entering the space around the competition arena or the athlete will entail a penalty** (refer Art. 430). Upon arrival on the showground, only the rider when riding, walking, leading or lunging a horse (lunge whip allowed), is allowed to carry a whip (max. 1.2m) anywhere on the showground. The groom may also walk, lead and lunge a horse as above. Other parties are allowed to carry a whip provided it is not in connection with the training of the horse.

**Whips Young Horse & Pony Competitions:** a whip may only be carried in the 4YO Young Horse and Young Pony competitions. Whips are not permitted in the 5YO, 6YO and 7YO competitions.

**Head Wear:** an approved helmet is to be worn in training and practice areas. Competition attire including headwear is allowed in the final warm-up arena. At all other times, an approved helmet must be worn.

**Riders in the CDIJ, CDI-Y & CDI-U25 competitions:** an approved helmet must be worn at all times when riding, and also during the Fitness Inspection (trot-up) if you are under 26 years of age.

**Riders under 25 years of age:** an approved safety helmet must be worn at all times.

---

**Young Horse Competitions:** an approved safety helmet must be worn at all times.

**Bridle Numbers:** Riders are responsible for providing bridle numbers for their horses. **Allocated Bridle Numbers as per the draw** must be worn whenever a horse is out of the stable, for example when grazing or training. We suggest owners have two sets of numbers on hand, one for the head collar and the other for competition. Competitors grazing horses must take extreme care and have horses under full control at all times. If grazing horses appear to be upsetting competing horses or horses under saddle, they will be asked to return to the stables. **Please do not graze or lead horses close to the competition arenas when horses are competing.**

## STABLES & CAMPING

**The Stable Complex is accessible through Gate 14, via Old Gympie Road.**

**Stabling & Camping Allocation:** The stabling and camping allocation will be posted on the CDI website. Stabling and camping is controlled through the venue.

**Stable Security:** At the completion of the Fitness Inspection on Wednesday July 17 at approximately 4.30pm, a security guard will be posted at the entry to the stables and only authorised people will be admitted into the stable complex. Riders, their nominated groom and official owner/s (maximum 2 per horse) will be given a "wrist band" which must be collected when registering at the Volunteer Marquee (outside the event office), see times below. If you require more wrist bands you will need to notify Leesa Murray, event director, prior to the event. Entry to the stables will only be permitted to riders/grooms/owners who have the appropriate wrist band. All gates into the stabling complex will be locked from 4.30pm Wednesday – instructions on how to access the stable complex will be provided with the stable allocation or from the Stable Manager.

**Cheryl Stephen** is the Stable Manager during the event. Cheryl will be onsite Monday July 15 from 9AM to 6PM, and she will be staying on site from Tuesday, July 16 through to Sunday July 21. Please contact Cheryl if you are having transport problems and delayed arrival is expected (see Handy Telephone Numbers page for phone details).

**Arrival Procedure:** Upon arrival at the stable complex you will be greeted by the Stable Manager. Cheryl will take your completed Horse Health Declaration Form from you, note your arrival date, and show you to your camping site and stables.

**Departure Procedure:** When you are ready to depart the stable complex you must notify the Stable Manager. Cheryl will inspect your stable for cleanliness, lock your stable and note your departure date.

**Note:** Please bring your own feed and water bins as these are not provided by QSEC. It is also advisable to bring your own stable cleaning tools and wheelbarrow as these are in limited supply at the venue.

**Stable Bedding:** Your stable will be pre-filled with shavings. Extra bedding in the form of Hisorb shavings can be ordered from Feedmania (see Handy Telephone Numbers page). Orders placed by 11am each day will be delivered that afternoon.

**Stable Cleaning:** with your entry you have paid a stable bond. This will be refunded post event if your stable is left clean – clean means that all bedding, feed & urine has been removed from the stable and it has been SWEPT clean (not merely scraped out with a shovel). Any damage to stables as noted by QSEC is payable by competitors and the minimum fee for damage is \$200. This fee will be charged to competitors.

**Stable Cleaning Service:** A stable cleaning service is offered by Liam Stephen for \$25 per stable. Please book and pay for this service with the Stable Manager, Cheryl Stephen.

## WELFARE OF THE HORSE – FEI CODE OF CONDUCT

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale. The Code is available in English & French. The Code is also available on the FEI's website: <http://www.fei.org>
