It is with much pleasure that Interschool Queensland is able to conduct this event as per the details in the following Program. This event will be operating in compliance with the Outdoor Sports Industry COVID Safe Plan. Please read all details in the Program carefully to ensure you comply with the necessary Government Health Guidelines.

**\*\*PLEASE READ THIS CAREFULLY AS IT CONTAINS VITAL COVID-19 EVENT REQUIREMENT INFORMATION\*\***

**WELCOME INFORMATION**

Due to COVID-19 Health Government Health Guidelines we have to implement the following, please ensure you read through this information carefully.

- Paperless scoring is being used at this event. You will not receive a physical paper test sheet. Please download the Nominate Equestrian App and ensure that you set it up before the event (e.g. now!)
- Download the Check In QLD App to assist us with the COVID-19 reporting requirements.
- Horse Health Declaration Forms are required at the entry gate every time horses are brought onto the grounds.

**COVID-19**

If you or a member of your family feels unwell on the morning of the competition please do not come! A refund will be offered in the event that you are showing any symptoms.

- We must record names and details of everyone who attends on the day. The easiest way to do this is with the Check In QLD App.
- Stay a minimum of 1.5m apart from other people not in your family group.
- Personal hygiene is paramount to stop the spread of infection. You must wash your hands regularly, there will be sanitisers placed throughout the venue.
- Please do not share equipment, stable tools etc.
- We recommend that you and everyone attending the event downloads the COVID Safe App on your mobile device.
- If you are not prepared to follow the rules and directions regarding COVID-19 protocols please do not enter or attend the event.
- Please note the Biosecurity and COVID Officer for our event is - **Bronwyn Hew mobile: 0423 392 294** please contact Bronwyn immediately if you have any concerns.

**Please ensure you are social distancing at all times!**

## NOMINATE EQUESTRIAN APP - ONCE YOU ARE REGISTERED

You will need to login to the Nominate Equestrian App. It comes up with 4 buttons and 1 of these is a check-in button. At the gate entry you will find a QR code, this is to scan after you click on the check-in button. It will record your details and your time of entry. Once you have scanned, you will notice the "check-in" button becomes "check-out". On leaving the event you will need to click the check-out button.

The Nominate Equestrian App has been in use for a number of competitions. It is expected that everyone has the App on their phones to ensure check in and check out procedures run smoothly and are not delayed.

## BIOSECURITY

For information in relation to travel permits & spraying please contact your local Department of Primary Industries. It is a requirement for entry to this event that all competitors provide a current **Horse Health Declaration form** for each horse entering the showgrounds.

**A new Equestrian Qld HHD Form is required upon check in every time a horse is brought onto the grounds. You must submit your Horse Health Declaration when checking onto the grounds at gate 2.**

The Horse Health Declaration form can be found at <http://www.qld.equestrian.org.au/sites/default/files/EQ%20Horse%20Health%20Declaration.pdf>.

Biosecurity legislation requires we all must keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smartphone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit at Check In can also be your Movement Record, however, as we require you to submit your Horse Health declaration form to us, you will need to take a copy of the form, e.g. photo with your phone. You will also need to create a Movement Record for your trip home.

Please ensure you have provided a PIC number and that you enter this PIC number on your nomination form.

***\*A wrist band will be issued to all attendees that will be on site, on receipt of the Horse Health Declaration form at check in. This is to ensure all attendees are registered as per COVID-19 Government Health Guidelines. \*\* Additionally riders must wear their wrist band to allow the rider to pass through gear check during this event. NO ARMBAND = NO RIDE.***

## Compulsory Team Coordinator Meetings - IQ Onsite Office

Please note that each evening there will be a compulsory Team Coordinators' meeting to provide competitors with important information about the next day's competition. We ask each school to provide one representative to attend these meetings. At the introductory meeting on Sunday night we will ask for their name and contact details to be provided.

Daily Schedule: see below- times may change

Sunday 27th	Dressage	6.00pm	Show Horse 6.30pm
Monday 28th	Dressage	6.00pm	Show Jumping 6.30pm
Tuesday 29th	Dressage	6.00pm	Show Jumping 6.30pm
Wednesday 30th	Show Jumping	6.00pm	

### Photo Release Waiver

By attending this event you are consenting to your child/children and yourself being photographed or filmed. EQ may use these images for promotional use in the Interschool program, this includes but is not limited to, use on the EQ website, marketing material and in all forms of media. Photos in which your child/children appear may be submitted to EQ, partners and stakeholders who may also use these images for the purpose of promoting their association with EQ.

### ENTRIES & SUBSTITUTIONS

Riders/Horses must be registered with Interschool Queensland. **ALL Horses must be EA Life registered** and **ALL Riders must be EA Competitor Junior members** to compete at this Championship event. The organising committee reserves the right to accept and/or reject entries. Competitors are reminded that Medication Control (swabbing) can occur at any event run under Equestrian Australia rules and regulations.

Riders may enter a maximum of 6 classes per horse across the State Championships. However, for scheduling reasons, riders may have to make a choice between classes if there is a time clash. The total classes allowed will not include Eventing and Combined Training as it is held at a separate event.

Riders are asked to consider the welfare of the horse when considering their state classes. The organising committee reserves the right to discuss the number of entries for a horse/rider combination per day if they have concerns.

## A rider can enter a maximum of two horses in each discipline providing that each horse/rider combination is qualified

- **Dressage** - each horse can compete in a maximum of two classes across the event. A class is two dressage tests at one level. For riders entering two classes on a horse, these classes must be at consecutive levels. Each Rider may also enter one freestyle class provided they have competed the same level in the championship class and no more than 3 tests in one day is observed.
- **Show Jumping** - Providing qualifying criteria met, riders may be able to nominate 2 horses in a maximum of two show jumping classes per horse. For riders entering two classes on a horse, these classes must be at consecutive heights. All horses must compete at their highest qualified height/s.
- **Show Horse** - Competitors may enter a maximum of two horses.

Show Horse riders are able to use one (1) result from the previous year's state championships as a qualifying result.

### Substitutions

On approval from the IQ committee, riders may substitute an alternative **qualified** horse up until the start of competition for the day providing details of the IQ horse/rider registration is presented to the organising committee. No rider may be substituted for another rider

### Important note for riders wishing to compete in more than one discipline:

**The organising committee will endeavour to structure the draws such that riders may compete in two disciplines on the same day, but riders must understand that, if this is not possible, they may have to prioritise one discipline over the other.**

### Horses

Horses are **NOT** to be ridden by anyone other than the rider nominated on the draw at events from midday on the day prior to the event commencing until conclusion of the final discipline on the last day of the event. This includes at any mounted presentations. This ruling applies even if a horse has completed its competitions at an event.

The exception to this ruling is that a horse can be ridden by more than one sibling rider at an event in different disciplines and the horse does not compete in more than the maximum number of tests/sections allowed in the day by EA discipline rules (eg, no more than 3 dressage tests in one day).

### Primary & Secondary Riders

Rule 5.2 of the 2021 IQ Handbook states that riders compete in Primary and Secondary School Divisions as per the EA Interschool Rules - (EA Rule 10.2.2 )

Primary competition is restricted to athletes enrolled up to and including year 6 in the year of competition.

The Secondary competition is for those enrolled in years 7 to 12 inclusive in the year of competition.

In the Dressage, Show Horse and Show Jumping competition there are Intermediate Secondary and Senior Secondary classes. Intermediate is defined as those athletes enrolled in years 7, 8 and 9. Senior divisions are for those athletes enrolled in years 10, 11 and 12 in the current year.

## Disputes

All protests or complaints are to be managed with respect through the official channels.

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes or complaints.

Any disputes, complaints or queries during the event must be lodged in writing with the fee of \$100 as per rule 6.1 in the 2021 IQ Handbook pg. 9, to the TD via their school convenor **within 30 minutes** of the posting of the scores which gave rise to the objection. The decision of the Technical Delegate/Ground Jury will be final and may not be appealed. General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

## CONDITIONS OF ENTRY

The IQ State committee values the attendance of all riders, parents, officials, spectators, sponsors, volunteers and supporters HOWEVER it is a condition of attendance at this event that each person present on the grounds is bound by the rules, policies and by-laws of Equestrian Australia. This includes comments on all social media outlets.

**As per EA general regulations the following will apply;**

### Article 109

4. OCs have the right;

- To cancel any class or Event.
- To divide any class.
- To alter advertised times.
- Refuse any entry.
- Transfer Athletes between sections of a class.
- To alter or amend the schedule as the OC sees fit. (refer Article 115.1)

## COVID-19

This event is being run in compliance with the [Outdoor Sports Industry COVID SAFE Plan](#). It is each person's responsibility to ensure they follow the COVID Safe Guidelines.

## Behaviour/Code of Conduct:

When representing their school and while on competition grounds, all competitors must obey their school rules and competition etiquette. Those not adhering to these, risk elimination from the competition. Damage to any third party by anyone at the venue of the competition will be the responsibility of the adult involved or the parents or guardians of those who caused the damage. In particular IQ, EQ and EA accept no responsibility relating to the use of motorised vehicles on the grounds over the course of the competition.

As per the Equestrian Australia 2019 National Interschool Rules, and Member Protection Policy it is expected that athletes and their support teams/parents will adhere to the rules of the competitions in which they participate and that they will show respect for other competitors, their horses, officials, judges and administrators in their actions and their words including on Social Media.

There are formal mechanisms for requesting clarity of committee decisions and for disputing results. Whilst each discipline has rules and regulations specific to that discipline available for download from the EA website, the conduct of members of the sport overall is controlled by the Member Protection Policy.

There are also general competition codes of conduct that apply to ALL Interschool competitions. Breaches of these general conduct practices will result in disqualification from the competition and depending on the severity of the offence, the athlete and/or their associates may face disciplinary action.

At an Interschool event the Organising Committee, Technical Delegate/s, Ground Jury and Officials are responsible for ensuring Horse Welfare guidelines and EA Codes of Conduct are observed.

The following EA Codes of Conduct must be observed by all competitors and their parents/guardians, during any activity held or sanctioned by EA – including Interschool events – or as an athlete/participant in any activity held by or under the auspices of the organisation or one of its affiliates. Those who fail to do so risk elimination from the competition.

- General & for all EA members
- For competitors
- For officials
- For spectators
- For coaches
- For administrators, directors & officers
- For parents & guardians
- For the welfare of the horse

Allocated stable/s cannot be changed.**

**Dogs** - Dogs MUST be leashed and under the control of the owner/handler at all times. **The owner of any dog on the ground accepts the responsibility of the consequent action caused by the dog.** All dogs must be restrained at all times. Please ensure that dog droppings are picked up and disposed of appropriately. No dogs in Equestrian areas.

**Glass** - No glass is permitted around grounds, camping areas exempted.

**Smoking**—Smoking only in designated areas.

**Camp Fires** - Braziers are allowed but must be contained and off the ground depending on the weather conditions (information will be provided by Fraser Coast Council on arrival).

**Children** - Parents/carers are responsible for their children at all times.

Please be respectful of the grounds – clean up all manure and place all litter in the bins provided.

Bins will be emptied at 6am Monday 28th, Wednesday 30th and Friday 1st, we ask that bins be returned from campsites to designated areas for this service. See Bin map on 20 for designated areas.

**Bin Service Locations**

Please line bins up for servicing on:

- \* Monday 28 June
- \* Wednesday 30 June
- \* Friday 2 July

## COMPETITOR INFORMATION

### Competition Schedule

The competition times in the published schedule are correct at the time of publication and should be taken as a guide for competitors only. The final schedule draw will be posted on the morning of each competition day and available on the event Team App.

Rings may run early due to scratchings. Please be attentive to announcements to this effect on the day. Riders may be required to ride earlier.

Riders who are late, without prior approval from the OC (e.g. let the office know if you are held up in another ring), may be excluded from the class.

### Rider Numbers

Correct numbers as per the draw must be shown on **both** sides of the horse when competing.

This number should also be displayed on the horse at any time the horse is taken out of its stable or yard, being led, being ridden or lunged on the grounds at an event.

### Stable Identification

All stables must display the information sign at all times.

### Unmounted Presentations

Presentations in afternoon TBA on daily basis. Due to Qld Health Guidelines and social distancing requirements only those riders who are receiving awards are expected to attend.

### Awards

Ribbons are awarded for each class placing 1st to 6th. Comets and ribbons are awarded for **overall** class placings 1st to 10th. Champions will receive a rug. Reserve Champions will receive a saddle cloth.

The scoring for Champions, Teams and Overall Trophies are outlined in the current 2021 IQ Handbook.

*All the overall school perpetual trophies will be presented at the Eventing and Combined Training States on Sunday 18<sup>th</sup> July in Warwick.*

### **IQ States 2020 Trophy Recall**

The 2020 State Champions / Champion Schools have all been contacted and are reminded to their trophies to the IQ on site office (room 9) by June 28th. Please ensure that they have been appropriately engraved.

## Helper Jobs

Each rider will be required to nominate a helper for the event. This is a compulsory requirement. Once again, we are using the '**Sign-Up' App** to manage our helpers roster. Please access the website or download the app and familiarise yourself with it. It is easy to use and it allows you to choose jobs that suit your schedule, rider draw and family. This system was used at the 2020 States & Nationals and it worked very well.

### How it will work:

All available jobs will be listed in the '**Sign-Up' App, the link will be emailed out to all riders & will be on Social Media. The Sign Up** will open on **Saturday 19th June 6.00pm** (draws will be open). It will close **Tuesday 22 June Midday** (3 days after opening). Job choice will be on a '**first in'** basis. To ensure you obtain your preferred jobs/times it is advised you sign up early.

### **You are required to sign up for 1 job per child .**

If families do not select their jobs by the close-off point on Tuesday 22 June at Midday they will be allocated a job from any remaining jobs. Reminders will be sent prior to the opening and closing of the 'Sign-Up' roster, but we ask you to take responsibility for signing up within the required timeframes.

We will post the completed 'Sign-Up' roster at the venue and the 'Sign Up' App will send out automatic reminders so ensure you check your emails. It is the responsibility of each rider and their helper to ensure that they check the 'Sign-Up' roster and complete their nominated tasks or find an appropriate substitute person to do so.

### **Helper Sign In Procedure at Event**

Helpers must register at the nominated area prior to the start of their allocated job. This will be different for different disciplines so consult the final published roster to see where you need to go.

### **FAILURE TO DO HELPER JOB**

If the helper fails to arrive for duty as per the roster, the rider's name will be forwarded to the IQ State Committee on the day of the competition and the rider will be ineligible for placings or points for that competition.

The rider will NOT be eligible for prizes at the State Championships and will be automatically considered as riding HC for the event. This will mean the rider will also be ineligible for the 2021 Queensland Team. In addition, the IQ Committee will notify the rider's school.

**Please do not put the committee or your child in this situation.**

**If you need to scratch from the Event you MUST try to find a replacement for your job and inform the IQ Events Secretary with who your replacement is.**

IQ Events Secretary - Emily Ballard 0400 780 180 (text only) or email [interschoolqld.secretaryevents@gmail.com](mailto:interschoolqld.secretaryevents@gmail.com)

If you do not try to find a replacement you will be charged a \$50 fee which will be deducted from your refund and the IQ Committee will notify the rider's school. If you have endeavoured to find a replacement but are having difficulty or if you are scratching due to an emergency please contact the IQ Events Secretary ASAP who will assist you.

## Horse Welfare

Horse abuse in any form will not be tolerated. If horse abuse is determined the athlete will be disqualified from the competition. The sighting of blood on the horse during a test, whether wet or dry, will entail elimination and/or investigation by the Ground Jury/Technical Delegate based upon the Sport Rules of the discipline involved.

## Soundness

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate. For Dressage there is no appeal against this decision.

## Clean Sport

Now is the time for a reminder that the use of prohibited substances in your horse is not tolerated and riders must be aware that random swabbing of horses may occur at random and will be conducted at any of these events. You should consult with your Vet regarding any current treatment and should be aware of the potential risk of self- administration of prohibited substances.

The FEI publishes a caution against the use of herbal supplements and products of which the ingredients are unknown. The use of any substance to affect the performance of a horse in a calming (tranquillising) or an energising (stimulant) manner is forbidden. The use of a calming product during competition may also have important safety consequences.

All controlled or banned substances can be found here:

<http://www.equestrian.org.au/medication-control>

There is also a smart phone FEI App you can download to your phone or access the web site here: <http://www.fei.org/fei/cleansport/horses>.

## Saddlery and Equipment

**MARSHALLING/GEAR CHECK.** A designated marshalling/gear check will be made available and is compulsory for all competitors prior to their entry in **each phase of every class**. Competitors are to check into marshalling 15 minutes prior to ride time. Competitors may not compete until they have been cleared through marshalling/gear check.

NOTE: Wristbands must be worn to be cleared through gear check.

For Dressage, riders may undertake their gear check process up to 30 mins prior to ride time. This is to allow those riders that so choose, to have an uninterrupted warm-up period prior to their test. Where possible, marshalls will assist riders to move through to their correct ring at the correct time, but this is primarily the responsibility of the rider.

All equipment must comply with EA regulations for the particular discipline. It is the responsibility of the competitor and/or parents to ensure that saddlery and equipment is in good repair, meets the relevant safety standards, is fitted appropriately and meets the regulations for that event. **It is not the responsibility of the volunteers at Marshalling/gear check.** Please refer to the illustrations of allowable equipment and information in the EA Rule Books and the information specific to each discipline in the IQ 2021 handbook.

## Uniform

All riders must be in their full school approved equestrian competition uniform (including helmet, team caps & horse saddle pads). This is considered appropriate protocol for a State Championship and the committee expects schools, riders and their parents to support this expectation. In Show Jumping Course walks, riders are to be attired in full competition uniform including helmet & crop.

**NB \*\* Failure to comply with this rule will result in any awards, points or ribbons being forfeited\*\***

## Dress for Riders

Riders competing in an EA competition, must wear an approved helmet with the chin strap fastened at all times. The same is recommended when riding a horse at any time. Protective headgear must conform with one of the current approved safety standards:

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked.
- Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked.
- Current American standard SNELL E2001.
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked.
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark.

## Helmet Tagging:

As part of a new safety initiative, all participants at Interschool events will be required to have their helmet tagged. From the commencement of IQ State Championships on 28 June 2021 it will be compulsory for participants at IQ events, to ride with a tagged helmet, regardless of discipline.

A **helmet tagging** steward or designated person will be available at the IQ office from **7-8am** and at the **conclusion of presentation** each day.

Remember, the EA tag does not verify that the helmet is safe or in working order. It only verifies that the helmet complies with the specific standards as mandated by the EA Rules. Riders are strongly encouraged to check their helmet regularly (even if it is tagged). And replace their helmets if they have been damaged or impacted in a fall.

## Body Protectors

Body Protectors for jumping elements are not compulsory under EA rules. The IQ strongly recommends their use in the interest of safety.

**\*Changes to the timetable may occur based on final entry numbers and at the discretion of the OC\***

- Providing qualifying criteria is met, a rider may ride a maximum of two horses in up to two Championship classes per horse (this doesn't include Freestyle).
- For riders entering two Championship classes on one horse, these classes must be at consecutive levels.
- Riders may enter one horse only in the Freestyle classes and the horse must have competed at the same level in the corresponding Championship class at the state championships.
- Freestyle classes must be ridden in school competition uniform.
- Any horse rider combinations may only ride three dressage tests per day.
- *Each class or overall championship consists of two dressage tests. In most cases, both tests are ridden the same day **In some cases, however, the tests will be ridden over two days. The Small Tour Classes D10 and D11 will be ridden over 2 days.***

Classes D10 and D11 make up the Small Tour Championship and are deemed as one class. Riders can enter one part, but will be ineligible for the small tour champion, the **Overall Championship is D10 and D11 combined.**

**Secondary riders:**

**Intermediate** is defined as those riders enrolled in grades 7, 8, 9 in the current school year.

**Senior** is defined as those riders enrolled in grades 10, 11, 12 in the current school year.

Classes D1 & D2 are for all riders in Prep-6 , D3 & D5 are for riders in years 7-9 and D4 & D6 to D11 are for riders in years 7-12. Classes D12, D13 and D14 are open to para-equestrians, RDA riders and Riders with a Disability. Riders eligible for D3 and D5 cannot compete in D4 or D6.

Riders who have an EA Exemption card may ride in classes D1-D11 and/or classes D12-D14. All PE riders at the time of nomination must send copies of their classification card and any other exemptions to the convenor, Kirstie Ferguson (email: [interschoolqld.dressage@gmail.com](mailto:interschoolqld.dressage@gmail.com)) prior to acceptance of the nomination.

**Callers:** Callers will be allowed for **Primary riders** but we do encourage experienced /older Primary riders to consider riding without a caller, in readiness for possible selection for the State Team and to help prepare for Secondary Dressage competition.

**The dressage competition is run under EA and FEI rules and the IQ 2021 handbook.**

**IQ Handbook 2021**

**National Dressage rules 2021**

## **Qualifying criteria for Dressage:**

1. The qualifying period is the 12 months preceding the closing date of entries for State Championship (see section 14.2). Due to the COVID-19 interruptions of 2020 and the delay of the State Championships to October 2020. The qualifying period for the 2021 State Championships will be from 25 June 2020 until close of nominations for the 2021 IQ State Championships.
2. All riders should submit a minimum of 3 IQ test scores from at least 2 IQ events in the level at which they wish to participate (noting the exceptions in points 7 & 8). Riders are reminded that ONLY events listed on the IQ calendar are approved IQ qualifying events (noting the exception outlined below in the next point).
3. Riders competing at Advanced, PSG or Inter I may use qualifiers from any EA two-star events, due to a lack of IQ events with classes at these levels. However, if IQ events with classes at these levels are run, riders are encouraged to support them.
4. For Secondary Senior and Secondary Intermediate classes at the Preliminary and Novice level, at least one of these submitted scores is required to be 58% with the other scores being a minimum of 55%.
5. For Secondary Senior and Secondary Intermediate classes at Elementary level and above, all three scores are required to be a minimum of 55%.
6. For Primary classes, all three scores are required to be a minimum of 55%.
7. Year 12 riders may submit 2 test scores from any IQ event at their chosen level. These scores will be divided by 2 for balloting purposes. At the Preliminary and Novice level, at least one of these submitted scores is required to be 58% with the other scores being a minimum of 55%. At Elementary level and above, both scores are required to be a minimum of 55%.
8. Riders from the regions allowing a reduced number of qualifiers may submit 2 test scores from any IQ events at their chosen level. These scores will be divided by 2 for balloting purposes. Preliminary and Novice - at least one of these submitted scores is required to be 58% with the other scores being a minimum of 55%. Elementary and above - both scores are required to be a minimum of 55%. Results from EA Competitive and Participant competitions may be considered for riders from these regions. If riders do not have EA scores, they are encouraged to send in any scores they have for the IQ Convenor's consideration. Regions requiring reduced numbers of qualifiers are listed in section 3.2.2.
9. Please note: Whilst all qualifying performances will be considered in the nomination process for the State Championships, this does not imply that riders with scores achieving the minimum standards are guaranteed a place. Balloting will be undertaken if entry numbers exceed class size limits. If classes reach maximum numbers, and balloting is required, the 3 scores will be added together and divided by 3 to get an average score to allow for ranking of the top qualifiers, who will be invited to participate (average of 2 scores in the cases mentioned in points 7 & 8 above).
10. Classes will be limited to 35 riders however there may be fewer accepted at the discretion of the OC depending on scheduling constraints and entry standards. The OC reserves the right to refuse an entry if it is deemed to be of insufficient standard for the event and the level entered. If nominations exceed the quota set by the OC, a reserve list may be kept.
11. For riders who have not gained the correct qualifications for the State Championships and wish to apply for special consideration to participate, please see section 14.3 of the IQ handbook for further details.

## **Class Numbers will be Capped**

Class numbers **will** be limited and entries will be ranked to determine acceptances for any classes with entries over the class limit of 35. Qualifying test scores will be averaged and the 35 highest ranking qualifiers will be invited to compete.

**Total Freestyle numbers (across Novice, Elementary, Medium, Advanced and Inter 1) may also be limited.** The cap is yet to be determined and will depend on the final schedule but a cap of 20 freestyle riders may be imposed. If this occurs, and entries exceed the capped number, then the entries will be ranked to determine acceptances for classes. Riders may only enter one freestyle class which is the equivalent level to the straight dressage tests they are competing in.

**Important note for riders wishing to compete in both the Dressage and Showjumping events:**

**Rings WILL NOT BE HELD**

**for riders coming from Showjumping to Dressage or vice versa.**

**YOU MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.**

## THE GLENNIE SCHOOL SHOWJUMPING COMPETITION

**Article 238.2.1** to be judged under Table A. (A2)

**Article 238.2.2** to be judged under Table A. (AM5)

The Showjumping competition is run under EA and FEI rules and the IQ 2021 Handbook.

\*\*\* 90cm and 100cm INTERMEDIATE (years 7,8 and 9) and 90cm and 100cm SECONDARY Jumping (years 10,11 and 12) – NOTE there is no intermediate at Nationals 2021 – To qualify for Nationals at 90cm and 100cm, the top 8 riders from intermediate and secondary 90cm and 100cm will be combined, and ranked based on clear and fastest rounds for each class (not on their overall placings). The top four riders will be selected from this group of 16. If there is a tie – it will go back to the highest placed AM5 rider.

Course inspections / walks are only permitted during designated times in the official riding dress. Jumping courses will be open for inspection prior to the start of the competitions and re-opened between each class for approximately 15 minutes.

**Important note for riders wishing to compete in multiple disciplines: Rings ABSOLUTELY WILL NOT BE HELD for riders coming from Dressage, Show Horse or Show Jumping or vice versa.**

**YOU MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.**

Whilst the committee will endeavour to accommodate riders in more than one Show Jumping class, please note that you may need to prioritise one class over another on the day.

Providing qualifying criteria met, riders may be able to nominate 2 horses in a maximum of two show jumping classes per horse. For riders entering two classes on a horse, these classes must be at consecutive heights. All horses must compete at their highest qualified height/s.

Please consider horse and rider welfare when nominating in multiple classes.

Overall Scores for Intermediate and Senior will be combined to obtain the top 4 riders for the Secondary National Team selection. Riders will not need to ride in a Championship class.	

**Interschool Show Horse** consists of classes for Show Horse, Show Hunter and Working Hunter. Each class has three (3) phases: an In-hand presentation, Rider phase (judging the rider) and Ridden phase (judging the horse). Working Hunter includes a Jumping phase.

The same horse/rider combination must complete all phases in the order specified in a timed draw as determined by the Organising Committee.

The Rules for Interschool Show Horse have been designed to correspond with the National Show Horse Rules wherever possible, however some variations have been necessary to meet Interschool competition requirements. **Judged under current EA SHOW HORSE RULES.**

**Competitors please note:** to reduce the impact of clashes, classes for **Show Horse** will be run in the following order-

- 1) Ridden
- 2) Rider
- 3) Led

- Riders must complete all phases in the class on the same horse.
- Riders entering SH10 and SH11 are not eligible to enter any of the other SH classes
- Each class will have a timed draw and all riders will complete an individual workout for each phase.
- Safety of all the Interschool athletes is paramount; thus, the Organising Committee has the right to determine in which order the phases will be held.
- Competitors may walk the jumping course for the Working Hunter Competition during the lunch break, there will only be the ONE walk time for all classes.
- At IQ if the incorrect equipment is worn into an arena in front of the judge, the rider will receive a **ZERO mark** for that phase, ie, if spurs are worn in the Led phase or if gaiters or long boots are worn in the Rider phase by riders under 18 years of age.

### **Dress, Saddlery and Equipment**

Will largely be as per National Show Horse Rules with some exceptions specifically for Interschool Show Horse competitions. Please refer to the Interschool Handbook for these exceptions

### **Number of Horses**

- Competitors may enter a maximum of two horses in the Show Horse competition.
- Rider and horse/pony combination must choose between show horse, show hunter /working hunter.

### **Workouts**

- Set workouts for all classes are available on the IQ Website.

### **Important note for riders wishing to compete in both the Show Horse and Dressage events:**

**Rings will be held as much as possible for riders however you **MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.****
