It is with much pleasure that Interschool Queensland is able to conduct this event as per the details in the following Program.

****PLEASE READ THIS CAREFULLY AS IT CONTAINS VITAL COVID-19 EVENT REQUIREMENT INFORMATION****

WELCOME INFORMATION

Due to COVID-19 Health Government Health Guidelines we have to implement the following, please ensure you read through this information carefully.

- Paperless scoring is being used at this event. You will not receive a physical paper test sheet. Please download the Nominate Equestrian App.
- Horse Health Declaration Forms are required to be handed in to the IQ Office every time horses are brought onto the grounds.

COVID-19

If you or a member of your family feels unwell on the morning of the competition please do not come! A refund will be offered in the event that you are showing any symptoms.

- Stay a minimum of 1.5m apart from other people not in your family group.
- Personal hygiene is paramount to stop the spread of infection. You must wash your hands regularly, there will be sanitisers placed throughout the venue.
- Please do not share equipment, stable tools etc.

Please ensure you are social distancing at all times!

INTERSCHOOL QLD STATE CHAMPIONSHIPS**

BIOSECURITY

For information in relation to travel permits & spraying please contact your local Department of Primary Industries. It is a requirement for entry to this event that all competitors provide a current **Horse Health Declaration form** for each horse entering the showgrounds.

A new Equestrian Qld HHD Form is required upon check in every time a horse is brought onto the grounds. You must submit your Horse Health Declaration when checking into the IQ Office.

The Horse Health Declaration form can be found at <http://www.qld.equestrian.org.au/sites/default/files/EQ%20Horse%20Health%20Declaration.pdf>.

Biosecurity legislation requires we all must keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smartphone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit at Check In can also be your Movement Record, however, as we require you to submit your Horse Health declaration form to us, you will need to take a copy of the form, e.g. photo with your phone. You will also need to create a Movement Record for your trip home.

Please ensure you have provided a PIC number and that you enter this PIC number on your nomination form.

****A wrist band will be issued to all riders, on receipt of the Horse Health Declaration form at the IQ Office. Riders must wear their wrist band to allow the rider to pass through gear check during this event. NO ARMBAND = NO RIDE.***

Horses-do not bring sick horse/s to this venue. Practise good biosecurity before, during and after going to an event. Horses must not be tied to any fences or trees. Horses must NOT enter the camping areas. Do not erect electric tape or portable yards. Do not dump manure from trucks/trailers anywhere other than the allocated stable waste points. Do not put manure on trees. Leave stables, camp areas and arenas clean and tidy. A cleaning fee is charged for stables or yards not left clean after the event and any stable waste and manure not deposited at the designated stable waste site. Horses, when not being ridden, must be kept in allocated stables or yards.

Horses are allocated a number on the Draw. This number **MUST** be displayed on the horse's halter, bridle or saddle pad, whenever the horse is taken out of its stable or yard and is being led, ridden, competed or lunged on the grounds at an event.

Riders must ensure that their stable has the owner's name, contact details and horse name displayed in case of emergencies. You must complete and print the stable plate template provided to you.

ENTRIES

Riders/Horses must be registered with Interschool Queensland. **ALL Horses must be EA Life registered** and **ALL Riders must be EA Competitor Junior members** to compete at this Championship event. The organising committee reserves the right to accept and/or reject entries. Competitors are reminded that Medication Control (swabbing) can occur at any event run under Equestrian Australia rules and regulations.

Riders may enter a maximum of 6 classes per horse across the State Championships. However, for scheduling reasons, riders may have to make a choice between classes if there is a time clash. The total classes allowed will not include Eventing and Combined Training as it is held at a separate event.

Riders are asked to consider the welfare of the horse when considering their state classes. The organising committee reserves the right to discuss the number of entries for a horse/rider combination per day if they have concerns.

A rider can enter a maximum of two horses in each discipline providing that each horse/rider combination is qualified

- **Dressage** - each horse can compete in a maximum of two classes across the event. A class is two dressage tests at one level. For riders entering two classes on a horse, these classes must be at consecutive levels. Each Rider may also enter one freestyle class provided they have competed the same level in the championship class and no more than 3 tests in one day is observed.
- **Show Jumping** - Providing qualifying criteria met, riders may be able to nominate 2 horses in a maximum of two show jumping classes per horse. For riders entering two classes on a horse, these classes must be at consecutive heights. All horses must compete at their highest qualified height/s.
- **Show Horse** - Competitors may enter a maximum of two horses.

Substitutions

On approval from the IQ committee, riders may substitute an alternative **qualified** horse combination up until the start of competition for the day providing details of the IQ horse/rider registration is presented to the organising committee. No rider may be substituted for another rider

Important note for riders wishing to compete in more than one discipline:

The organising committee will endeavour to structure the draws such that riders may compete in two disciplines on the same day, but riders must understand that, if this is not possible, they may have to prioritise one discipline over the other.

Horses

Horses are **NOT** to be ridden by anyone other than the rider nominated on the draw at events from midday on the day prior to the event commencing until conclusion of the final discipline on the last day of the event. This includes at any mounted presentations. This ruling applies even if a horse has completed its competitions at an event.

The exception to this ruling is that a horse can be ridden by more than one sibling rider at an event in different disciplines and the horse does not compete in more than the maximum number of tests/sections allowed in the day by EA discipline rules (eg, no more than 3 dressage tests in one day).

Primary & Secondary Riders

Rule 5.2 of the 2022 IQ Handbook states that riders compete in Primary and Secondary School Divisions as per the EA Interschool Rules - (EA Rule 10.2.2)

Primary competition is restricted to athletes enrolled up to and including year 6 in the year of competition.

The Secondary competition is for those enrolled in years 7 to 12 inclusive in the year of competition.

In the Dressage, Show Horse and Show Jumping competition there are Intermediate Secondary and Senior Secondary classes. Intermediate is defined as those athletes enrolled in years 7, 8 and 9. Senior divisions are for those athletes enrolled in years 10, 11 and 12 in the current year.

Disputes

All protests or complaints are to be managed with respect through the official channels.

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes or complaints.

Any disputes, complaints or queries during the event must be lodged in writing with the fee of \$100 as per rule 6.1 in the 2022 IQ Handbook pg. 9, to the TD via their school convenor **within 30 minutes** of the posting of the scores which gave rise to the objection. The decision of the Technical Delegate/Ground Jury will be final and may not be appealed. General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

CONDITIONS OF ENTRY

The IQ State committee values the attendance of all riders, parents, officials, spectators, sponsors, volunteers and supporters HOWEVER it is a condition of attendance at this event that each person present on the grounds is bound by the rules, policies and by-laws of Equestrian Australia. This includes comments on all social media outlets.

As per EA general regulations the following will apply;

Article 109

4. OCs have the right;

- To cancel any class or Event.
- To divide any class.
- To alter advertised times.
- Refuse any entry.
- Transfer Athletes between sections of a class.
- To alter or amend the schedule as the OC sees fit. (refer Article 115.1)

Behaviour/Code of Conduct:

When representing their school and while on competition grounds, all competitors must obey their school rules and competition etiquette. Those not adhering to these, risk elimination from the competition. Damage to any third party by anyone at the venue of the competition will be the responsibility of the adult involved or the parents or guardians of those who caused the damage. In particular IQ, EQ and EA accept no responsibility relating to the use of motorised vehicles on the grounds over the course of the competition.

As per the Equestrian Australia 2019 National Interschool Rules, and Member Protection Policy it is expected that athletes and their support teams/parents will adhere to the rules of the competitions in which they participate and that they will show respect for other competitors, their horses, officials, judges and administrators in their actions and their words including on Social Media.

There are formal mechanisms for requesting clarity of committee decisions and for disputing results. Whilst each discipline has rules and regulations specific to that discipline available for download from the EA website, the conduct of members of the sport overall is controlled by the Member Protection Policy.

There are also general competition codes of conduct that apply to ALL Interschool competitions. Breaches of these general conduct practices will result in disqualification from the competition and depending on the severity of the offence, the athlete and/or their associates may face disciplinary action.

At an Interschool event the Organising Committee, Technical Delegate/s, Ground Jury and Officials are responsible for ensuring Horse Welfare guidelines and EA Codes of Conduct are observed.

The following EA Codes of Conduct must be observed by all competitors and their parents/guardians, during any activity held or sanctioned by EA – including Interschool events – or as an athlete/participant in any activity held by or under the auspices of the organisation or one of its affiliates. Those who fail to do so risk elimination from the competition.

Venue Information

No motor bikes, four-wheelers, trikes and other vehicles are to be used at Toowoomba Showgrounds, other than by the OC

Bikes/Scooters - All users are required to wear approved helmets at all times and **must stay away from stables, all horse warm up and competition areas**. Must be ridden by **one person at a time**, slowly and quietly with due consideration to horses and others. **Scooters and Bikes must be parked in designated areas.**

Lunging - Designated lunging area to be advised.

Camping and Stables -Camping and parking of vehicles are allowed in designated areas only. Horse preparation, working areas and stables and yards are separate from the areas designated for parking and camping. **Horses are not permitted in camping and parking areas. Allocated stable/s cannot be changed.**

Dogs - Dogs MUST be leashed and under the control of the owner/handler at all times. **The owner of any dog on the ground accepts the responsibility of the consequent action caused by the dog.** All dogs must be restrained at all times. Please ensure that dog droppings are picked up and disposed of appropriately. No dogs in Equestrian areas.

Glass - No glass is permitted around grounds, camping areas exempted.

Smoking—Smoking only in designated areas.

Camp Fires - Braziers are allowed but must be contained and off the ground depending on the weather conditions (information will be provided by Toowoomba Showgrounds on arrival).

Children - Parents/carers are responsible for their children at all times.

Please be respectful of the grounds – clean up all manure and place all litter in the bins provided.

COMPETITOR INFORMATION

Competition Schedule

The competition times in the published schedule are correct at the time of publication and should be taken as a guide for competitors only. The final schedule draw will be posted on the morning of each competition day and available on the event Team App.

Rings may run early due to scratchings. Please be attentive to announcements to this effect on the day. Riders may be required to ride earlier.

Riders who are late, without prior approval from the OC (e.g. let the office know if you are held up in another ring), may be excluded from the class.

Rider Numbers

Correct numbers as per the draw must be shown on **both** sides of the horse when competing.

This number **must** also be displayed on the horse at any time the horse is taken out of its stable or yard, being led, being ridden or lunged on the grounds at an event.

Stable Identification

All stables must display the information sign at all times. This allows easy contact in Case of an Emergency.

Unmounted Presentations

Presentations in afternoon TBA on daily basis. Presentation is compulsory for all riders unless special consideration is granted by the State IQ Committee.

Awards

Ribbons are awarded for each class placing 1st to 6th. Comets and ribbons are awarded for **overall** class placings 1st to 10th. Champions will receive a rug. Reserve Champions will receive a saddle cloth.

The scoring for Champions, Teams and Overall Trophies are outlined in the current 2022 IQ Handbook.

All the overall school perpetual trophies will be presented at the Eventing and Combined Training States on Sunday 17th July in Toowoomba.

IQ States 2021 Trophy Recall

The 2021 State Champions / Champion Schools have all been contacted and are reminded to their trophies to the IQ on site office by 10 AM June 27th. Please ensure that they have been appropriately engraved.

Helper Jobs

Each rider will be required to nominate a helper for the event. This is a compulsory requirement. Once again, we are using 'Sign-Up' to manage our helpers roster. Please access the website or download the app and familiarise yourself with it. It is easy to use and it allows you to choose jobs that suit your schedule, rider draw and family.

How it will work:

All available jobs will be listed in 'Sign-Up', the link will be emailed out to all riders & will be on Social Media. The Sign Up will open after Draws have been sent (date/time to be finalised). Job choice will be on a 'first in' basis. To ensure you obtain your preferred jobs/times it is advised you sign up early.

You are required to sign up for 1 job entry—maximum of 3 jobs per family.

If families do not select their jobs by the close-off date they will be allocated a job from any remaining jobs. Reminders will be sent prior to the opening and closing of the 'Sign-Up' roster, but we ask you to take responsibility for signing up within the required timeframes.

We will post the completed 'Sign-Up' roster at the venue and 'Sign Up' will send out automatic reminders so ensure you check your emails. It is the responsibility of each rider and their helper to ensure that they check the 'Sign-Up' roster and complete their nominated tasks or find an appropriate substitute person to do so.

Helper Sign In Procedure at Event

Helpers must register at the nominated area prior to the start of their allocated job.

FAILURE TO DO HELPER JOB

If the helper fails to arrive for duty as per the roster, the rider's name will be forwarded to the IQ State Committee on the day of the competition and the rider will be ineligible for placings or points for that competition.

The rider will NOT be eligible for prizes at the State Championships and will be automatically considered as riding HC for the event. This will mean the rider will also be ineligible for the 2022 Queensland Team. In addition, the IQ Committee will notify the rider's school.

Please do not put the committee or your child in this situation.

If you need to scratch from the Event you MUST try to find a replacement for your job and inform the IQ Events Secretary with who your replacement is.

IQ Events Secretary - Emily Ballard 0400 780 180 (text only) or email interschoolqld.secretaryevents@gmail.com

If you do not try to find a replacement you will be charged a \$50 fee which will be deducted from your refund and the IQ Committee will notify the rider's school. If you have endeavoured to find a replacement but are having difficulty or if you are scratching due to an emergency please contact the IQ Events Secretary ASAP who will assist you.

Horse Welfare

Horse abuse in any form will not be tolerated. If horse abuse is determined the athlete will be disqualified from the competition. The sighting of blood on the horse during a test, whether wet or dry, will entail elimination and/or investigation by the Ground Jury/Technical Delegate based upon the Sport Rules of the discipline involved.

Soundness

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate. For Dressage there is no appeal against this decision.

Clean Sport

Now is the time for a reminder that the use of prohibited substances in your horse is not tolerated and riders must be aware that random swabbing of horses may occur at random and will be conducted at any of these events. You should consult with your Vet regarding any current treatment and should be aware of the potential risk of self- administration of prohibited substances.

The FEI publishes a caution against the use of herbal supplements and products of which the ingredients are unknown. The use of any substance to affect the performance of a horse in a calming (tranquillising) or an energising (stimulant) manner is forbidden. The use of a calming product during competition may also have important safety consequences.

All controlled or banned substances can be found here:

<http://www.equestrian.org.au/medication-control>

There is also a smart phone FEI App you can download to your phone or access the web site here: <http://www.fei.org/fei/cleansport/horses>.

Saddlery and Equipment

MARSHALLING A designated marshal will be made available and is compulsory for all competitors prior to their entry in **each phase of every class**. Competitors are to check into marshalling 15 minutes prior to ride time. Competitors may not compete until they have been cleared through marshalling.

NOTE: Wristbands must be worn to be cleared through gear check.

For Dressage, riders may undertake their marshalling process up to 30 mins prior to ride time. This is to allow those riders that so choose, to have an uninterrupted warm-up period prior to their test. Where possible, marshalls will assist riders to move through to their correct ring at the correct time, but this is primarily the responsibility of the rider.

All equipment must comply with EA regulations for the particular discipline. It is the responsibility of the competitor and/or parents to ensure that saddlery and equipment is in good repair, meets the relevant safety standards, is fitted appropriately and meets the regulations for that event. **It is not the responsibility of the volunteers at Marshalling.** Please refer to the illustrations of allowable equipment and information in the EA Rule Books and the information specific to each discipline in the IQ 2022 handbook.

Uniform

All riders must be in their full school approved equestrian competition uniform. This is considered appropriate protocol for a State Championship and the committee expects schools, riders and their parents to support this expectation. In Show Jumping Course walks, riders are to be attired in full competition uniform including helmet & crop.

NB ** Failure to comply with this rule will result in any awards, points or ribbons being forfeited**

Dress for Riders

Riders competing in an EA competition, must wear an approved helmet with the chin strap fastened at all times. The same is recommended when riding a horse at any time. Protective headgear must conform with one of the current approved safety standards: <https://www.equestrian.org.au/content/current-approved-safety-standards-helmets>

Helmet Tagging:

As part of a new safety initiative, all participants at Interschool events will be required to have their helmet tagged. It compulsory for participants at IQ events, to ride with a tagged helmet, regardless of discipline.

A **helmet tagging** steward or designated person will be available at the IQ office from **7-8am** and at the **conclusion of presentation** each day.

Remember, the EA tag does not verify that the helmet is safe or in working order. It only verifies that the helmet complies with the specific standards as mandated by the EA Rules. Riders are strongly encouraged to check their helmet regularly (even if it is tagged). And replace their helmets if they have been damaged or impacted in a fall.

Body Protectors

Body Protectors for jumping elements are not compulsory under EA rules. The IQ strongly recommends their use in the interest of safety.

Changes to the timetable may occur based on final entry numbers and at the discretion of the OC

- Providing qualifying criteria is met, a rider may ride a maximum of two horses in up to two Championship classes per horse (this doesn't include Freestyle).
- For riders entering two Championship classes on one horse, these classes must be at consecutive levels.
- Riders may enter one horse only in the Freestyle classes and the horse must have competed at the same level in the corresponding Championship class at the state championships.
- Freestyle classes must be ridden in school competition uniform.
- Freestyle competition will be held on Tuesday afternoon. Presentations for Freestyle riders will be at the completion of all dressage championship classes on Thursday evening. Freestyle riders must have competed in the placings in the Freestyle class.
- Any horse rider combinations may only ride three dressage tests per day.
- *Each class or overall championship consists of two dressage tests.*

In some cases, however, the two tests will be ridden over two days.

Classes D10 and D11 make up the Small Tour Championship and are deemed as one class. Riders can enter one part, but will be ineligible for the small tour champion, the Overall Championship is D10 and D11 combined.

Secondary riders:

Intermediate is defined as those riders enrolled in grades 7, 8, 9 in the current school year.

Senior is defined as those riders enrolled in grades 10, 11, 12 in the current school year.

Classes D1 & D2 are for all riders in Prep-6 , D3 & D5 are for riders in years 7-9 and D4 & D6 to D11 are for riders in years 7-12. Classes D12, D13 and D14 are open to para-equestrians, RDA riders and Riders with a Disability. Riders eligible for D3 and D5 cannot compete in D4 or D6.

Riders who have an EA Exemption card may ride in classes D1-D11 and/or classes D12-D14. All PE riders at the time of nomination must send copies of their classification card and any other exemptions to the convenor, Kirstie Ferguson (email: interschoolqld.dressage@gmail.com) prior to acceptance of the nomination.

Callers: Callers will be allowed for Primary riders but we do encourage experienced /older Primary riders to consider riding without a caller, in readiness for possible selection for the State Team and to help prepare for Secondary Dressage competition.

The dressage competition is run under EA and FEI rules and the IQ 2022 handbook.

Qualifying criteria for Dressage:

- 1.** The qualifying period is the 12 months preceding the closing date of entries for State Championship. The Qualifying period for the State Championships 2022 will be from 7 June 2021 until the close of nominations for the 2022 IQ state Championships.
- 2.** All riders should submit a minimum of 3 IQ test scores from at least 2 IQ events in the level at which they wish to participate (noting the exceptions in points 7 & 8). Riders are reminded that ONLY events listed on the IQ calendar are approved IQ qualifying events (noting the exception outlined below in the next point).
- 3.** Riders competing at Advanced, PSG or Inter I must compete in at least one IQ event / IQ regional event in the state qualifying period. Three scores must be submitted with one from at least an IQ event, 2** competition score/s may also be used. Year 12 riders will require 2 scores, one of which must come from an IQ event or regional event and one may come from a 2** competition.
- 4.** For Secondary Senior and Secondary Intermediate classes at the Preliminary and Novice level, riders require one score of at least 60% and two scores of at least 58%.
- 5.** For Secondary Senior and Secondary Intermediate classes at Elementary level and above, all three scores are required to be a minimum of 55%.
- 6.** Primary riders require one score of at least 58% and two scores of at least 55%.
- 7.** Year 12 riders in Preliminary and Novice are required to have one score of at least 60% and one score of at least 58%. Elementary and above classes require two scores of at least 55%.
- 8.** Regional riders in Preliminary and Novice require one score of at least 60% and one score of at least 58%. For elementary and above riders, both scores have to be at least 55%. One of a regional riders' results must be from an IQ school or regional event. Regions requiring reduced numbers of qualifiers are listed in section 3.2.2.
- 9.** Please note: Whilst all qualifying performances will be considered in the nomination process for the State Championships, this does not imply that riders with scores achieving the minimum standards are guaranteed a place. Balloting will be undertaken if entry numbers exceed class size limits. If a dressage class is balloted each rider's two highest submitted percentages will be combined and averaged. Each rider's averaged scores will then be balloted and the top 35 riders will be offered a position to ride in the class.
- 10.** Classes will be limited to 35 riders however there may be fewer accepted at the discretion of the OC depending on scheduling constraints and entry standards. The OC reserves the right to refuse an entry if it is deemed to be of insufficient standard for the event and the level entered. If nominations exceed the quota set by the OC, a reserve list may be kept.
- 11.** For riders who have not gained the correct qualifications for the State Championships and wish to apply for special consideration to participate, please see section 14.3 of the IQ handbook for further details.
- 12.** Secondary riders will only be allowed to enter the freestyle class that corresponds with their nominated competitive class. In the event of excess nominations for the Freestyle classes riders will be balloted as per the dressage qualifying scores.

13. To be considered for the Qld Dressage State Team for Nationals all rider/horse combinations must have competed at the 2022 IQ Jumping/Dressage/Show Horse State Championships. If an EOI is required to fill teams these applications will only be considered from rider/horse combinations that have competed at this event.

Class Numbers will be Capped

Class numbers **will** be limited and entries will be ranked to determine acceptances for any classes with entries over the class limit of 35. If classes need to be ranked all Riders' 2 highest Qualifying test scores will be averaged and the 35 highest ranking qualifiers will be invited to compete.

Total Freestyle numbers (across Novice, Elementary, Medium, Advanced and Inter 1) may also be limited. The cap is yet to be determined and will depend on the final schedule but a cap of 20 freestyle riders may be imposed. If this occurs, and entries exceed the capped number, then the entries will be ranked to determine acceptances for classes. Riders may only enter one freestyle class which is the equivalent level to the competitive dressage tests they are competing in.

Important note for riders wishing to compete in both the Dressage and Showjumping events:

Rings WILL NOT BE HELD

for riders coming from Showjumping to Dressage or vice versa.

YOU MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.

Article 238.2.1 to be judged under Table A. (A2)

Article 238.2.2 to be judged under Table A. (AM5)

The Showjumping competition is run under EA and FEI rules and the IQ 2022 Handbook.

**Please note – To be selected for the State Team 2022 – and because Nationals have not included separate Intermediate classes yet - ALL results from the Secondary and Intermediate 90cm and 100 cms classes will be pooled together respectively. The top 4 riders from these combined classes will be selected based on their results in each class. (Time and faults in the AM5 , A2 , 2 Phase or Special 2 Phase ie those in the top 4 placings based on clear and fastest times not on placings).

Course inspections / walks are only permitted during designated times in the official riding dress. Jumping courses will be open for inspection prior to the start of the competitions and re-opened between each class for approximately 15 minutes.

**Important note for riders wishing to compete in multiple disciplines:
Rings ABSOLUTELY WILL NOT BE HELD for riders coming from Dressage, Show Horse or Show Jumping or vice versa.**

YOU MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.

Whilst the committee will endeavour to accommodate riders in more than one Show Jumping class, please note that you may need to prioritise one class over another on the day.

Providing qualifying criteria met, riders may be able to nominate 2 horses in a maximum of two show jumping classes per horse. For riders entering two classes on a horse, these classes must be at consecutive heights. All horses must compete at their highest qualified height/s.

Please consider horse and rider welfare when nominating in multiple classes.

SHOW HORSE COMPETITION

SH40, SH41, SH42 Open to riders in years 10-12	
Overall Scores for Intermediate and Senior will be combined to obtain the top 4 riders for the Secondary National Team selection*. Riders will not need to ride in a Championship class.	

*Please note raw scores, not individual placings, from each phase will be combined into one class and then the top 4 will be determined.

Interschool Show Horse consists of classes for Show Horse, Show Hunter and Working Hunter. Each class has three (3) phases: an In-hand presentation, Rider phase (judging the rider) and Ridden phase (judging the horse). Working Hunter includes a Jumping phase.

The same horse/rider combination must complete all phases in the order specified in a timed draw as determined by the Organising Committee.

The Rules for Interschool Show Horse have been designed to correspond with the National Show Horse Rules wherever possible, however some variations have been necessary to meet Interschool competition requirements.

Judged under current EA SHOW HORSE RULES.

Competitors please note: to reduce the impact of clashes, classes for **Show Horse** will be run in the following order-

- 1) Ridden
- 2) Rider
- 3) Led

- Riders must complete all phases in the class on the same horse.
- Riders entering SH10 and SH11 are not eligible to enter any of the other SH classes
- Each class will have a timed draw and all riders will complete an individual workout for each phase.
- Safety of all the Interschool athletes is paramount; thus, the Organising Committee has the right to determine in which order the phases will be held.
- Competitors may walk the jumping course for the Working Hunter Competition during the lunch break, there will only be the ONE walk time for all classes.
- At IQ if the incorrect equipment is worn into an arena in front of the judge, the rider will receive a **ZERO mark** for that phase, ie, if spurs are worn in the Led phase or if gaiters or long boots are worn in the Rider phase by riders under 18 years of age.

Dress, Saddlery and Equipment

Will largely be as per National Show Horse Rules with some exceptions specifically for Interschool Show Horse competitions. Please refer to the Interschool Handbook for these exceptions

Number of Horses

- Competitors may enter a maximum of two horses in the Show Horse competition.
- Rider and horse/pony combination must choose between show horse, show hunter /working hunter.

Workouts

- Set workouts for all classes are available on the IQ Website.

Important note for riders wishing to compete in both the Show Horse and Dressage events:

Rings will be held as much as possible for riders however you MAY BE REQUIRED TO MAKE A PREFERENCE ON THE DAY.
