## GENERAL INFORMATION

The Brisbane CDI Organising Committee would like to thank you for your entry and wish you the very best of luck at the event. Please read through the following important information regarding the Brisbane CDI. Regular updates will be posted on the CDI web page and on our Facebook page.

An Event Covid Safe plan and government and venue regulations will apply. We will advise of any new regulations as required.

### QSEC IS A GLASS FREE VENUE

As users of this great venue we need to comply with the venue rules which are the same as other large sporting venues in Qld. If you bring glass onto the venue in your vehicles, then that's where it needs to remain – **DO NOT** place empty bottles in the QSEC rubbish bins – take them home with you. There are large fines for people who do not abide by these rules..

### FACILITIES

We request that competitors take the utmost care in looking after the wonderful facilities at QSEC. . Please make yourself familiar with the QSEC Camping & Stable Rules and Regulations:

<https://www.qsec.com.au/files/assets/qsec/forms/camping-and-stable-rules.pdf>

The indoor arena precinct is a non-BYO alcohol area. Alcoholic beverages cannot be taken into or from this precinct.

Dogs are permitted in the camping complex **ONLY**. All dogs at all times must be secured or on a leash that is no longer than 1 metre in length. **Do not bring dangerous dogs to this event.**

### BIOSECURITY

The method of recording is flexible (diary, email, mobile device, copy/photo of Horse Health Dec etc) however the following information must be recorded and kept for 2 years: date of movement, description of the animal, the property of origin (including PIC), event address (including PIC if possible), estimated arrival and departure times and dates and name and contact details of person responsible. ### SPRAYING FOR COMPETITORS FROM NSW, VIC OR TICK-FREE AREAS

We have arranged for an accredited stock inspector, to come to the venue on Saturday 17<sup>th</sup> and Sunday September 18<sup>th</sup> to spray horses returning to Tick Free areas. The stock inspector will help you with the paperwork. Provided you cross the border/tick line within 24 hours of being sprayed, you will not have to stop at a Treatment Facility on your way home. We hope that this will make your journey home more stress free. The cost of spraying is being subsidised by the event, but you will be asked to pay **\$80 per horse** directly to the stock inspector (the event will pay all the travel costs). Please have this money in cash at the time of spraying to hand to the stock inspector. **ALL RIDERS WHO WISH TO HAVE THEIR HORSES SPRAYED AT THE VENUE NEED TO CONTACT JULIE SPRINGTHORPE 0427 993 266 BY SEPTEMBER 5<sup>th</sup>.**

## WELFARE OF THE HORSE – FEI CODE OF CONDUCT

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale. The Code is available in English & French. The Code is also available on the FEI's website: <http://www.fei.org>
