# WELCOME.

We would like to formally invite you to the Oz Endurance 2024 Endurafest, a unique equestrian endurance event to be held at Inglewood in Queensland on 31 May to 2 June 2024.

Horse and rider combinations will start from the base at Inglewood Showgrounds and each loop is through the picturesque forests north of the Inglewood township.

The 2024 Endurafest will host the inaugural Australasia Regional Endurance Championship, with teams of 4 athletes contesting the 100 km FEI 1 star event from Japan, Malaysia, New Zealand, Singapore, Australia and other countries from FEI Region 8. The program will also include FEI 3 star, 2 star and 1 star international endurance competitions and AERA classes that cater for all ages and levels of riders with various divisions from 20 km through to 160 km. The event will be a pathway for many competitors including those preparing for the 2024 World Endurance Championships in France. The three days of competition will also feature educational forums, a trade village, volunteer club, spectator areas and involvement from the local community.

We look forward to welcoming hundreds of visitors to 'Catch the Country Spirit' in Inglewood, a beautiful quiet country town. International competitors will join competitors from all over Australia, support teams, grooms, International and national officials, veterinarians and volunteers that will begin to arrive up to a week in advance. This provides a wonderful opportunity for travelers to plan to visit some great tourist attractions on their journey and while in Inglewood meet the friendly locals in town and enjoy some shopping, local produce, visit Lake Coolmunda and stop in to see the Inglewood Heritage Centre, there is lots to do in Inglewood and the wider region.

The Inglewood Showgrounds will be the base of the event and there are two on course viewing areas at the 'crew points' where riders and horses are met by officials, veterinarians, media and their grooms / teams to cool down before continuing on into the forest for the next stage of the competition.

Oz Endurance is privileged to have the support from the Fédération Equestre Internationale (FEI), Equestrian Australia (EA), Equestrian Sports New Zealand (ESNZ), Equestrian Queensland (EQ), Australian Endurance Riders Association (AERA) and Queensland Endurance Riders Association (QERA). Together we aim to make the 2024 Endurafest a showcase event demonstrating the best of endurance.

Please find enclosed further information and if you have any questions please do not hesitate to email [peterwtoft@gmail.com](mailto:peterwtoft@gmail.com) or phone (+61) 0419 780 841.

We look forward to welcoming you and your team in the coming months.

Regards,

Peter Toft  
Event Director / Oz Endurance ( Q ) Inc. Organising Committee

# AUSTRALASIA REGIONAL ENDURANCE CHAMPIONSHIP

## NF TEAM ENTRIES.

- Entries will open Monday the 8 April 2024, further information will be provided.
- Only 1 team may be entered from each National Federation.
- Teams of 4 athletes plus up to 3 reserves from each National Federation (NF), all need to be entered.
- An athlete that is a reserve or has been substituted and not required for their AREC Team, are eligible to transfer their nomination to compete in a CEI or CEN event the following day or may request a refund as per the Oz Endurance (Q) Inc. refund policy.
- The best 3 results will count towards the final team result.
- If something unexpected arises to one of your athletes and you do not have a reserve athlete you can still compete as a team of 3.
- Only Athletes and horses registered with the FEI, and entered by their National Federations, as members of their official team may participate in the AREC.
- Age of Athletes: Athletes participating are subject to age restrictions as required in Art. 124 of FEI GR
- The AREC is classified as an open event, there will be no separate junior or young rider divisions.
- National Federations may select Junior and/or Young Rider athletes in their team, but they will be competing in the open competition.
- Each athlete must be eligible to compete as per FEI regulations Art. 113 Registration and Eligibility of Athletes and Horses and Art. 117 Selection of Representative Teams and Individuals.
- There may be an opportunity for additional overseas athletes outside of their National Federation team of 4 to compete in one of the other FEI events the following day, on an Australian-based lease horse. However, that would be up to the Athlete to source their own appropriately qualified lease horse for an FEI event.

## PRIZE CEREMONY.

For the Australasian Regional Endurance Championship, the focus of the event is on the Teams competition, however there will also be individual placings.

31 MAY  
- 2 JUN

# AUSTRALASIA REGIONAL ENDURANCE CHAMPIONSHIP POOL HORSES.

- Athletes can use their own horses if they choose to or for athletes who do not have horses based in Australia or are not bringing their horses over to Australia, pool/borrowed horses are available for your team.
- Allocation of pool horses for the team and reserves may be available if required to each country.
- Each pool horse owner will be invited to provide one or more grooms.
- Pool horses will be divided into groups of equal ability; each country will draw a group. A random generator will be used to determine which country selects first. This will be a blind draw with no information provided at the draw stage about specific horses.
- The Organising Committee will appoint a Horse Coordinator for each NF, they will be overseen by the Horse Manager.
- After the pool horses are allocated, the Horse Coordinators will meet with the Chef de Equipes from each NF to finalise combinations (a horse summary will be provided to each Chef de Equipe that is utilising pool horses).
- **Introductory Meeting:**  
A technical meeting will take place two days prior to the first examination.
- The athletes and pool horse owners will have an opportunity to meet prior to the competition.
