## INFORMATION FOR THE TSHA COMPETITOR

To be eligible for TSHA classes your thoroughbred must be registered with the Australian Thoroughbred Stud Book. No part bred thoroughbreds will be eligible.

To compete in the thoroughbred only classes you must purchase a competition licence with the TSHA through Global Entries Online. The licence costs \$55 and runs for a calendar year from the date you purchased it.

How do I obtain my licence? · The licence can be obtained by logging into [www.globalentriesonline.com.au](http://www.globalentriesonline.com.au)

- Go to the 'Manage Horses' page
- Click on the "TSHA licence" button and fill in the details
- If you don't already have an account with Global Entries it is simple to create one and then follow the instructions above.

The microchip number is really important. It does not matter whether the horse is EA registered with a different name so long as the description and microchip number match. If you are having trouble finding the information please send us an email [info@thoroughbredsporthorse.com.au](mailto:info@thoroughbredsporthorse.com.au) and we can help you.

The licence fee is for competition purposes only and is not proof of ownership. Any prize money will be paid to the winning rider. Connections of the horse must organise the prize money split, if any, between themselves. Any horses and riders competing in the TSHA Thoroughbred classes 1.05m and over must also hold EA registration.
