

Equestrian Australia Application for Pointing Imported Jumping Horses

National Jumping Rules

Art 283.2 Points of Imported horses

Foreign horses imported into Australia will be awarded points according to their age (see table below) unless the horse owner can produce documentation to prove that the horse should be pointed differently. Imported horses ages will be determined as at 1st January. Imported horses must be assessed by the grading panel within 3 months of their importation.

5yrs	6yrs	7yrs	8yrs and above
0 points	16 points	40 points	80 points

I wish to request the Grading Panel consider the points of my imported horse and provide the following information:
