Amateur Owner/Home Produced Rules

A person is an amateur for the purposes of classes run under Equestrian Queensland amateur owner/ home produced rules if he/she does not, during the current or previous year:

1. Engage in breeding, livery, buying, selling, dealing or hiring horses in a commercial capacity.
2. Received remuneration or sponsorship in the connection with horses in racing, showing, livery stable or riding school. (Instruction at Pony club and Riding club excepted). This does not include the suppliers of ancillary services such as farriers and vets.
3. Own/part own an Equestrian establishment including but not limited to riding schools, stud or livery yard in any capacity, or receive any form of remuneration for employment at an equestrian establishment. For the avoidance of doubt for the purpose of this rule, immediate family members of an owner/ part owner of an equestrian establishment who work or are howsoever otherwise engaged or involved in any capacity, whether or not for remuneration at the equestrian establishment, will be treated as being an owner or part owner of that equestrian establishment.
4. Show a horse owned or sponsored by a company or a commercial firm, in any showing classes.
5. A competitor is not eligible to compete in amateur classes on an Exhibit which has been ridden by a Professional rider in any open classes during the current year unless the Horse has subsequently been re-registered under new Ownership. (The only exception will be child's classes).
6. Rider must be current member of the State Branch of Equestrian Australia. A minimum of participant level membership is required. A child may retain amateur status if he/she rides a horse/pony for another person but only in designated child's classes. The child will not be considered an amateur if he/she exhibits a horse on behalf of another owner/s.
7. The horse/pony registration lodged with Equestrian Australia must reflect the name of the amateur owner rider as owner or part owner. Any other part owners must be immediate family. Leased horses are eligible as long as the amateur owner is reflected as the lessee on the EA horse registration of that horse and lease must be for a minimum of 12 months duration. Horse/pony must be registered with any other society in the same name/s as EA registration and must be produced upon request for inspection.
8. The horse/pony must be primarily ridden and trained by the rider/owner with only periodic ridden assistance by person/s other than the owner. Specifically, the horse/pony must not have been ridden or trained by anyone, other than the owner for a period of 3 months immediately preceding the day of competition for any event in which the rider wishes to compete as an amateur owner rider.
9. Open to horses which are either stabled at home or in a D.I.Y yard and has not been shown by a Professional during the current season or stabled in a Professional yard.
10. This section refers to riding classes and saddle classes, for the avoidance of doubt, led classes are not included in any way within these rules.
11. Judges for these classes are to apply a 50:50 rule in relation to conformation and work. It is the intention of these classes to encourage competitors to focus on education and work as well as being judged on the horse's conformation. These classes are levelled at grass roots competition with a focus on competitors being judged on the basics of good riding and work, not just the best conformed horse. We ask that all judges in these classes apply this formula when judging.

No Professional Producers are allowed into the ring to groom/ strip the Horse
Any protests regarding eligibility must be lodged in writing on the day of the event with \$150.
