## PRESIDENT'S MESSAGE 2018

Welcome everybody to the diamond jubilee of the Eidsvold Show Society. Yes, that's right! The Eidsvold show is turning 75 this year and we need to celebrate the occasion.

Festivities begin on Saturday 28th April with a sit-down dinner at the community hall commencing at 6.pm. The theme for the night is 'A Trip Down Memory Lane'. Show girl winners from 1983 onwards will be guests of the society for the night. Music will be provided for dancing or listening to.

The North Burnett area is enjoying a good season after an erratic start to the summer. Members are looking forward with confidence and enthusiasm to a successful show.

Not a lot has changed in the Eidsvold district over the last 75 years. It still relies on primary production for its main source of income with the cattle industry earning Eidsvold the title of 'Beef Capital of the Burnett'.

This year numbers will be reduced in fat and stud sections as Eidsvold bows to the "Beef Capital of Australia" and its triannual Rockhampton event. Despite this event Eidsvold's cattle showing will be substantial to mark the 75th occasion.

It is also appropriate to reflect on the reasons for the very first show society being formed back in 1944. It was to raise funds for the Australian Comforts Fund for our people fighting overseas. Lest we forget.

I would also like to note the passing of some of our members over the period since the last show:

I acknowledge:

June Tyburczak  
Bill Cruickshank  
Ken Scheuber

Len Tucker  
Bill Spencer

They have all given great service to the show society and the community. May they rest in peace.

As is the case with every year the show would not go on without the effort of many people. I would like to place on the record my thanks to everyone who helps - bigtime and small-time.

Lastly, I invite all the people of the Eidsvold area, their friends and relations, to the 75th annual show.

You don't need to rsvp, just turn up at the gate.

Pat Connolly, President

## PAVILION ENTRIES

The pavilion office will be open on Saturday, 5<sup>th</sup> May, 2017, 9am to 3pm, to collect entries for the pavilion unless otherwise directed by the stewards of the section, or section has an earlier closing date.

## MEMORABILIA

As we all know the history of the Eidsvold AP & I Society was formed in 1942, but owing to the War conditions at that time, the first Eidsvold Show was held in April of 1944.

This year, 2018, marks 74/75 years of the Eidsvold Show Society, so with this in mind, we the members have decided to invite other members to create displays of their families with photos of cattle, horse and pavilion etc memorabilia, who have supported the Eidsvold Show over many long years.

Recognition of their years of involvement could be displayed at this year's show, bringing many happy memories for all to see and remanence.

Could anyone who is interested please phone Dot Hamilton on 0741 651 397 as she would be so pleased to bring memories of lots of noteworthy events for everyone at this year's Eidsvold Show on the 6<sup>th</sup> May 2018.

## TEAM PENNING RULES

30 head of cattle marked with coloured collars (or numbers) in sets of 3. (i.e. 3 red, 3 blue etc) are at the 'mob' end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the 'pen' at the opposite end of the arena within a 2-minute time limit.

<b>1</b>	The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line
<b>2</b>	A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line
<b>3</b>	Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run
<b>4</b>	A team may only call for time ONCE
<b>5</b>	To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate, and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line
<b>6</b>	A team may call for time with only one (1) or two (2) of the assigned cattle penned - however, teams penning three (3) head of cattle will place higher than those penning two (2) head, and two (2) head will place higher than teams penning one (1) head – regardless of the time
<b>7</b>	Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all "spare" (including assigned cattle not being penned) are on the pen side of the start/foul line a "no-time" will be recorded
<b>8</b>	No time will be awarded if incorrect assigned cattle are in the pen when time is called
<b>9</b>	Any more than five (5) head of cattle at any one time on the pen side of the start/foul line will incur a "no-time" being recorded

	for that run. A line person will be in place to monitor the start/foul line for too many across the line
<b>10</b>	NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling
<b>11</b>	A team must stop working cattle immediately when called a “no-time” by the judge or at the 2-minute bell.
<b>12</b>	Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judge’s decision
<b>13</b>	Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judge’s decision – any rider that dismounts, horse falls, rider is thrown or falls - will result in that run being terminated without a time be recorded
<b>14</b>	No whips may be brought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted
<b>15</b>	At the judge’s discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (health wise) or escapes the arena
<b>16</b>	Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in- gate marshal area” by the third (3 <sup>rd</sup> ) call, that run may be made void at the judge’s decision
<b>17</b>	Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee
<b>18</b>	When the 3 whole beasts, of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more of those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.
Rules should be read in conjunction with Team Penning Australia Inc. documents: Animal Welfare Policy Statement; WHS Rules & Code of	

Conduct. Team Penning Australia Inc. endorses the Australian Horse Welfare Protocol. Refer to: [www.horsecouncil.org.au](http://www.horsecouncil.org.au)

## WAL NIELSEN

Queensland based Singer/Songwriter Wal Nielsen delivers his songs with pure lyrical intelligence. He has a rare ability to translate his creative mind into expressive and contemplative songs. There is a versatility that Wal's music oozes, a dynamic that is hard to categorise. He has no problem with pushing lyrical boundaries, and isn't frightened of where his songs go. It's this mixture that sets Wal apart from the traditional country artist.
