

EVENTING – GENERAL INFORMATION & PREPARATION SHEET

General

The qualifying period for State Championships and the IQ competition year is the 12 months preceding the closing date of entries for State Championships.

Rules

All Interschool events will be run under the relevant disciplines EA rules .

The Dressage test must always be held first. The order of Cross Country and Jumping phases is optional, but must be clearly stated in the draw.

Programs

Programs need to be forwarded to the IQ relevant discipline convenor for approval prior to the school advertising event.

Draw

This needs to be forwarded to the Interschool contact in the EQ office for entry checks as soon as possible post the close of nominations.

Judges

Whilst the EA status of IQ is associate, our competitions be run along the lines of EA official competition and judge allocation should match the EA requirements for the level of competition.

Sports specific rules can be found in the relevant discipline rule books.

Pencillers

Pencillers must be impartial, and it is preferred that they do not have their own children competing in the class in which they are pencilling for. IQ encourages year 10, 11 and 12 riders be given the opportunity to be pencillers.

Results

Results are required to be forwarded to the EQ office to go on the website within 10 days after the event.

EQ will only use results that are in EXCEL Format- [add sample format](#). Please note that each discipline is on 1 page.

Medical

A first aid service must be present at all times.

Emergency vehicles must be able to access all parts of the venue.

Cross Country

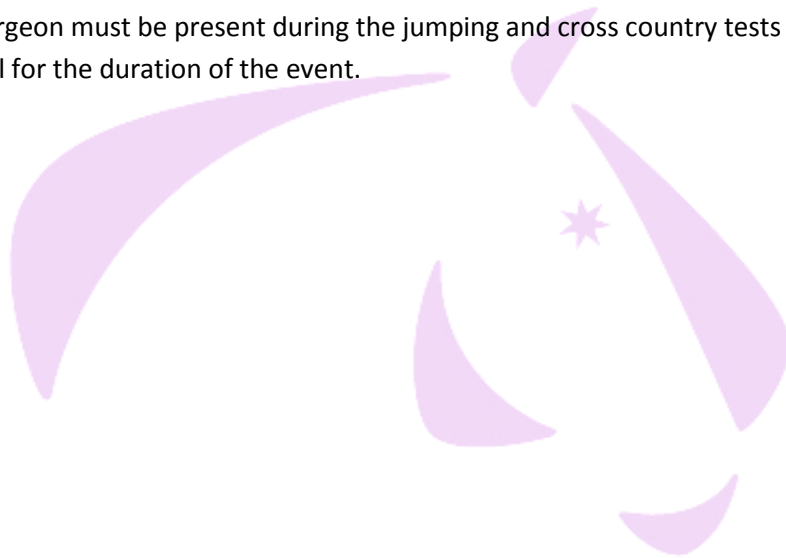

An ambulance **MUST** be present during the cross country test. If the ambulance is not on the ground, the event must halted.

Showjumping

A doctor (with appropriately equipped first aid service) and/or a fully equipped emergency ambulance should be present during the jumping test.

Veterinary

A veterinary surgeon must be present during the jumping and cross country tests and must be available on call for the duration of the event.
