

Technical Delegate XC Course Designer & Builder Seminar

with Ewan Kellett and Des Hughes

26 & 27 November 2016

Fig Tree Pocket Equestrian Club

As many know, these well acclaimed officials in our sport of Eventing have officiated at Australia's most prestigious events (as well as Overseas) as either the XC Course Designer/Builder or Technical Delegate.

We are very fortunate to have these highly accredited officials to provide a pathway for anyone who is interested in gaining knowledge and accreditation in the sport of Eventing.

This seminar is open to all individuals with an interest in officiating at Horse Trials as Technical Delegates, Course Designers / Builders, and anyone interested in the overall running of an ODE. The seminar will provide new officials with the opportunity to enter the National official's lists and will provide a refresher course for current officials wishing to remain on the National list.

Technical Officials from other Disciplines are also encouraged to attend as this course may well satisfy the Pathway appropriate to your Discipline.
