- Checking technical details of information provided by the Organising Committee (OC)
- Coordinating the distribution of relevant information to the team members in a timely manner
- Be the point of contact between team members and the OC before and during the event
- Attendance at technical meetings in the lead up to, and during the AIC
- Assisting the IQ Committee to ensure team positions are filled using the procedure as outlined in the Interschool Queensland Handbook
- Manage the team dynamic and be responsible for management of issues relating to the team and individuals
- Report to the Interschool Queensland committee and work with the committee in planning for the competition

Skills and Knowledge Required

- A high level of knowledge and understanding of the competition requirements in interschool with previous experience of the AIC
- An ability to provide leadership in team situations
- An ability to handle conflict and manage change
- Ability to 'think on your feet'
- Strong planning and organisational skills
- Attention to detail and ability to prioritise tasks effectively
- Ability to work both autonomously and as part of a team

Personal Attributes

- High degree of personal and professional integrity
- A commitment to follow the principles of the Interschool and EA Codes of Conduct
- Tact and diplomacy balanced with the capacity to make decisions
- Ability to maintain confidentiality
- Ability to cope with numerous tasks simultaneously and to deal with stressful situations
- Ability to gain respect from riders, parents, officials, and others involved in the sport
